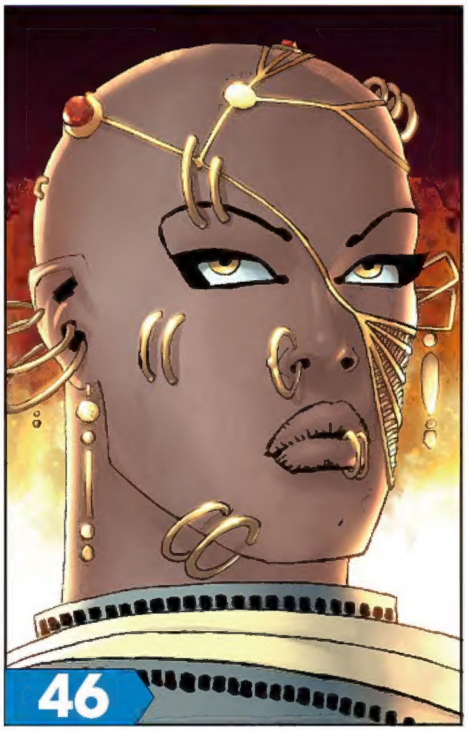
ISSUE 353 (VOL. XXVIII #02)



IT'S (FRANK) MILLER TIME!

Dark Horse Comics

Writer Larry Hama and artist Netho Diaz usher in the landmark 250th issue of *G.I. Joe: A Real American Hero*, as Dawn Moreno struggles against the ghost of Snake-Eyes in the concluding chapter of "Dawn of the Arashikage!"

SUPERMAN 1K!

DC Comics

Celebrate 1000 issues of *Action Comics* with an all-star lineup of top talent as they pay tribute to the comic that started it all! This very special oversized issue presents the best of the best in *Superman* stories!

HACKED FUTURE!

Image Comics

In the near future of *Analog*, Internet security is dead, and secrets are transmitted via armed couriers called "Ledger Men". Jack McGinnis is one. But he was also involved in the cyber-attack that changed everything. So, he has *two targets* on his back…

A UNIVERSE ON WHICH TO FEED…

Marvel Comics

The *Venomverse* epic reaches its conclusion with *Venomized*, as the Poisons, a species that hungers for super-powered symbiotes and their hosts, targets the Marvel Universe! And with the X-Men and Venom MIA since "Poison-X," the planet is defenseless!

IN THIS ISSUE: BLACK HISTORY MONTH 2018!

February is Black History Month, and here at ***PREVIEWS***, we're showcasing comics and graphic novels that feature black characters or are created by African-American creators, or somehow describe the black experience in America. We've got biographical comics telling the stories of the likes of Nelson Mandela, Jackie Robinson and Martin Luther King, Jr., and tributes to comic artists like the Golden Age great, Matt Baker. Be sure to look for our Black History Month icon throughout this issue for great reading!

THE FLIPSIDE INTERVIEW: ROYE OKUPE: BUILDING A UNIVERSE

Nigerian comics creator Roye Okupe is the creator of an entire universe under his publishing company YouNeek Studios. Based in Silver Springs, Maryland, Okupe's superhero universe derives its background and culture directly from his own African roots, providing a unique setting for his readers that cannot be found between the pages of many superhero stories published today.

As part of our coverage of *Black History Month* this month in ***PREVIEWS***, *Diamond BookShelf* Editor Ashley Kronsberg spoke with Roye Okupe about the building of his YouNeek Universe and how the influence of Nigerian and African culture brings a refreshing take to the superhero genre that is accessible to any reader.

FEBRUARY BRINGS NEW TOYS!

2018 is getting off to a rollicking start! We've just endured the coldest week-and-a-half on record — 20 or lower by day, single digits by night! — and it's finally warming up to the point where it doesn't feel like I'm being X-rayed from all directions. But that's winter in Maryland for ya'!

You know I'm a toy fan and collector from way back, and February is a special time for those of us who collect and appreciate the beautiful plastic things we admire. Our team of buyers and experts will be heading to New York City once again for 2018 International Toy Fair, scheduled for February 17-20. We'll once again be scouring the four corners of the Jacob Javitts Center for the latest and greatest in toys and collectibles, and our ***PREVIEWS***world reporters will be there to capture the events in photos and videos, which you'll be able to view, as the show progresses, on ***PREVIEWS***world**.com** and *Toychestnews.com*. As always, I can't wait to see what turns up this year at the big show. I've heard rumors of a new line of Micronauts toys in the works, and the Japanese companies always come through with the coolest stuff!

BLACK HISTORY MONTH

In this issue of ***PREVIEWS***, we're once again celebrating *Black History Month*, celebrating African-American comics, characters and their creators. We've got some great backlist items as well as all-new titles being offered this month, and on the FlipSide of this issue, we interview YouNeek Studios President and creative force, Roye Okupe. Born in Lagos, Nigeria, Roye has infused his "YouNeek YouNiverse" with stories steeped in his own experiences in his native Nigeria.

And finally, don't forget that **Free Comic Book Day 2018** is rapidly approaching on Saturday, May 5th! Last month we revealed all of the Gold and Silver-level titles that will be available for FREE on the first Saturday in May. And don't forget that we have an all-new 2018 *FCBD Commemorative Artist Series T-Shirt* featuring Madman, as drawn by creator Mike Allred! If you haven't checked out this year's new batch of titles, we've got them once again displayed in this issue starting on page 33.

That's all for this month, see you in March!

Your Pal @ ***PREVIEWS***,

Marty

eMoviePoster December Major Auction Reaches $544K

During their December Major Auction, eMoviePoster achieved $544,145 in total sales. It was successful across the board with record results on many individual items from different time periods and types of material.

The top results were *Dark Victory* linen-backed one-sheet for $8,148, *Day at the Races* Belgian linen-backed poster for $5,250, *Rear Window* linen-backed one-sheet for $5,250, *Dracula* lobby card for $8,250, *Filibus* Italian poster for $5,800, *The Postman Always Rings Twice* half-sheet for $5,350, *The Empire Strikes Back* one-sheet for $11,557, *Return of the Jedi* 24-sheet for $6,750, and *Pinocchio* insert for $4,850.

Hawk and Dove – A Tale of Two Brothers

The original Hawk and Dove, created by Steve Ditko and Steve Skeates, debuted in *Showcase* #75 in 1968. This Silver Age team consisted of teenage brothers Hank (Hawk) and Don Hall (Dove). Following the attempted assassination of their father, the boys were determined to thwart the criminals responsible.

After the Lords of Chaos and Order offered the chance to save their father, Hank and Don were transformed by the powers of Hawk and Dove. Despite saving his life, their father disapproved of the costumed vigilantes, so they kept their heroic personas a secret. Later on, the duo became semi-regulars in Teen Titans and eventually joined Titans West.

Please tell us a bit about yourself!

I'm a filmmaker, writer, colorist, and letterer. Both Cleveland and Akron are home.

What are your favorite projects you've contributed to over the past decade?

I co-wrote and directed a dark comedy feature film titled, *Hero Tomorrow*, about a struggling comic book creator who gets a costume of his own character for Halloween. Once he has that costume he starts bumbling through the neighborhoods trying to fight crime. The film played festivals all over the world, and we were often told that his superhero character, *Apama*, would make a cool, *actual* comic. *Milo Miller* (co-writer) *Benito Gallego* (artist) and I have spent the last seven years turning *Apama* into a cool, actual comic. It's not an adaptation of the film, but the book our character from the movie would have published. It stars an ice cream truck driver in Cleveland that becomes a ferocious, rag-tag superhero. The film is also the reason we named our publishing company *Hero Tomorrow Comics*.

What are you currently working on?

A new series titled *Tap Dance Killer!* It's the story of mega-talented actress, *Nikki St Clair*, who is cast in a horror show musical and becomes supernaturally trapped in her role — think *The Punisher* meets *Rocky Horror*. The character *Tap Dance Killer* is from a libretto I wrote back in 1991, and a new cast album of that show, *Nothing Like Vaudeville*, is in the works too.

Apama is coming out in an ongoing series. The stories were originally released digitally and then in printed collections, but all of our first appearances and kick-ass covers never had that collectable, single-issue release. *Apama The Undiscovered Animal* is fully remastered, and will finally put the horse before the cart and pave the way for future stories.

Later this year we'll also be debuting *Bloom*. It's a standalone, prequel origin story to *Apama's* hippie, 'psycho-delic' arch-nemesis, *Regina*.

What fun titles are you reading?

I'm digging Marjorie Lui's *Monstress* (*Vol. 1* / APR160803), Sana Takeda's art is SICK! I also adore *the IDW Artist Edition* books... the *Romita*, *Gil Kane*, and *Marvel Covers* editions are all jaw-dropping!

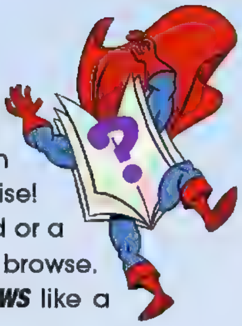
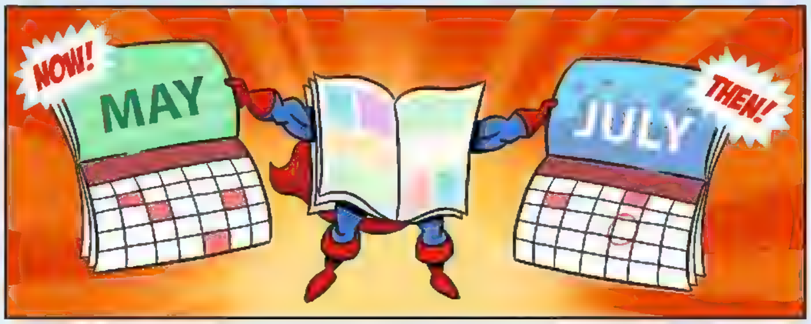
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

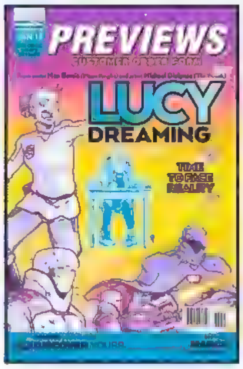
PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later (or more).** For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?



When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

With time itself under attack, the Watcher formerly known as Nick Fury sends Blink and the Exiles on a desperate mission to save the multiverse!

THE EXILES ARE REBORN WITH A NEW MISSION TO SAVE THE MULTIVERSE

With something eating at the edges of the multiverse and threatening reality itself, Blink assembles a new team of Exiles to make a stand and save the Marvel Universe in Saladin Ahmed and Javier Rodriguez's *Exiles*, coming this April from Marvel Comics!

From his vantage point on the Moon, Unseen — the Watcher formerly known as Nick Fury — observes something unspeakable at the edge of the multiverse, consuming one reality after another, destabilizing the multiverse itself. Powerless to intervene himself, he enlists Blink to recruit a new team of Exiles — the Marvel Universe's multiverse protectors — to combat the threat from the Time-Eater and save all of reality. Blink's new Exiles team — Khan, a grizzled and aged Kamala Khan; Wolvie, a chibi-esque Wolverine; Iron Lad; and Valkyrie, a new incarnation of the Asgardian warrior, inspired by Tessa Thompson's Marvel Cinematic Universe character — embark on a desperate mission! But even if they succeed, will any of them see their homes again?

Saladin Ahmed, the acclaimed writer of Marvel's *Black Bolt*, is joined by *Spider-Woman*'s Javier Rodriguez for one of the most exciting team books to arise from Marvel Legacy. Says Ahmed of *Exiles*, "It's a dream of a book to be working on for a Marvel fanboy such as myself, full of deep-cut guest stars and mind-blowing Easter eggs. But it's also new-reader friendly — a self-contained story of a group of misfits coming together, learning to trust each other, and, if they're lucky, saving the !@$# universe."

Coming your way this April, Ahmed and Rodriguez's *Exiles* is one Marvel Comics title you won't want to miss!

CIVILIZATIONS CLASH IN FRANK MILLER'S LONG-AWAITED XERXES

Twenty years ago Frank Miller published one of his most unique and powerful works, *300*. The story of the 300 Spartan warriors, led by King Leonidas, who stood alone against the Persian Army at the Battle of Thermopylae and held back an Empire, *300* was a groundbreaking graphic novel that was adapted to film by Zack Snyder a decade ago. This spring, Miller returns to the ancient world with his companion story to *300*, Dark Horse Comics' *Xerxes: The Fall of the House of Darius and the Rise of Alexander*.

The Middle East, from the edge of India in the east to the Persian Gulf and the "Fertile Crescent" of the Tigris and Euphrates in the south, Anatolia and the Caucuses in the north and the Red Sea and Egypt in the west, saw a succession of empires rise and fall among the ever-shifting sands — Sumeria, Babylonia, Assyria, Persia. Empires rose, and empires inevitably fell, yet Xerxes dreamed of a world in which one empire — his — would unite all of civilization beneath a single banner. Xerxes could conquer the known world, but Xerxes could not defeat time nor the inevitability of history, and it would be in a distant land he and his descendants never conquered — Macedonia — that a world conqueror, Alexander, would be born.

A companion, rather than a sequel, to *300* and spanning a century and a half of classical history, Miller's *Xerxes: The Fall of the House of Darius and the Rise of Alexander* takes readers on an epic journey through the clash of civilizations, the death of dreams, the birth of heroes, and the rise of a new empire from the ashes of the old. Told as only Frank Miller can, *Xerxes: The Fall of the House of Darius and the Rise of Alexander* #1 arrives in comic shops in April in a deluxe collector's format!

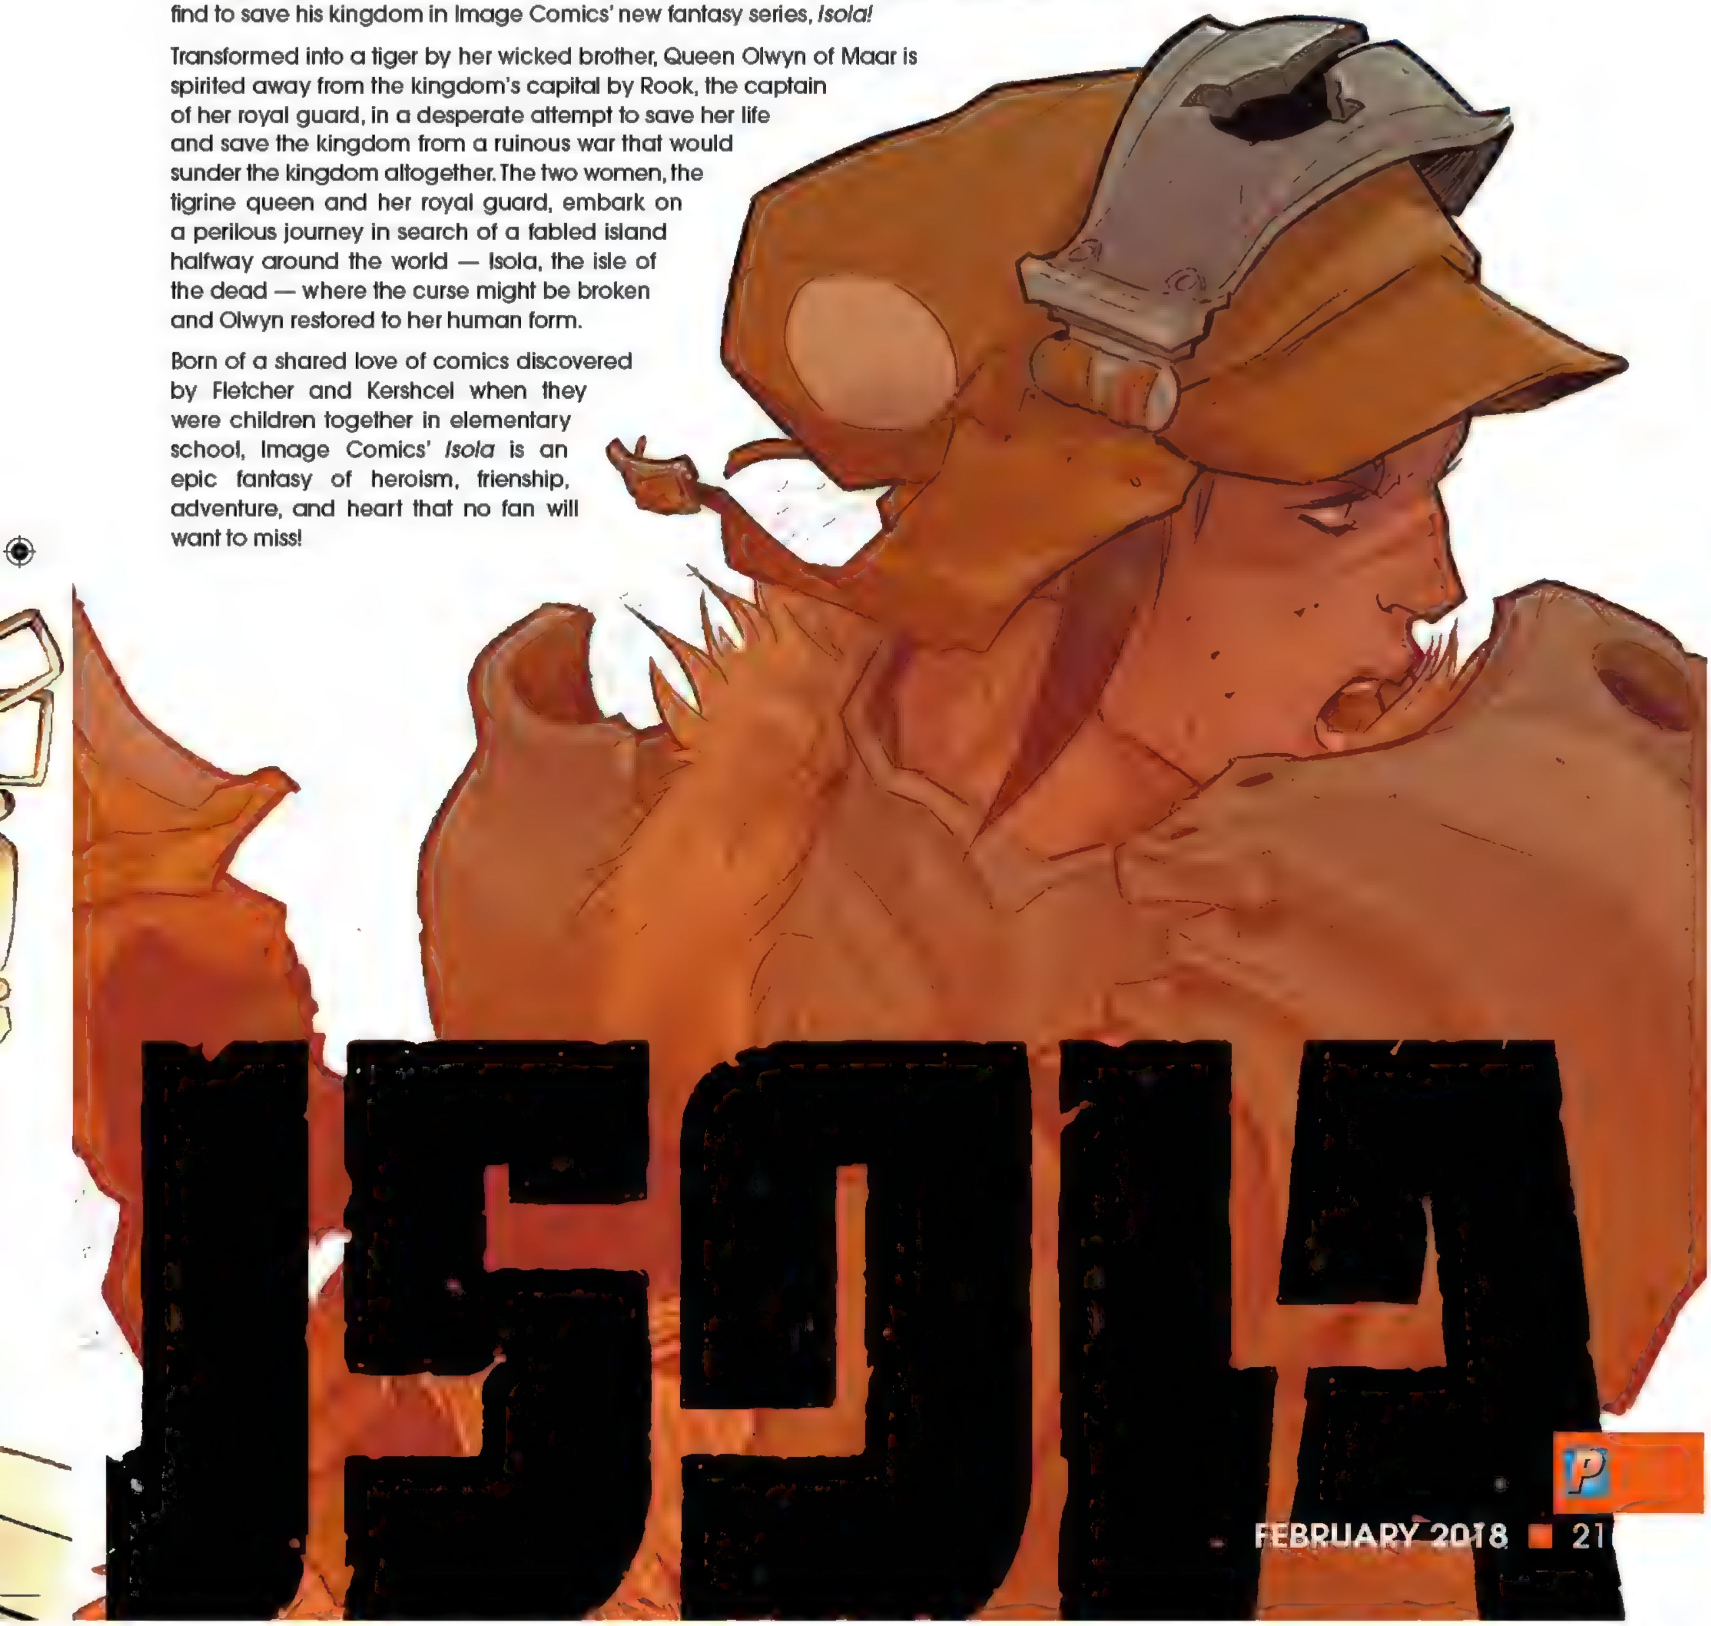
TO RESTORE HER QUEEN, A GUARDSMAN MUST JOURNEY TO THE ISLE OF THE DEAD IN *ISOLA*

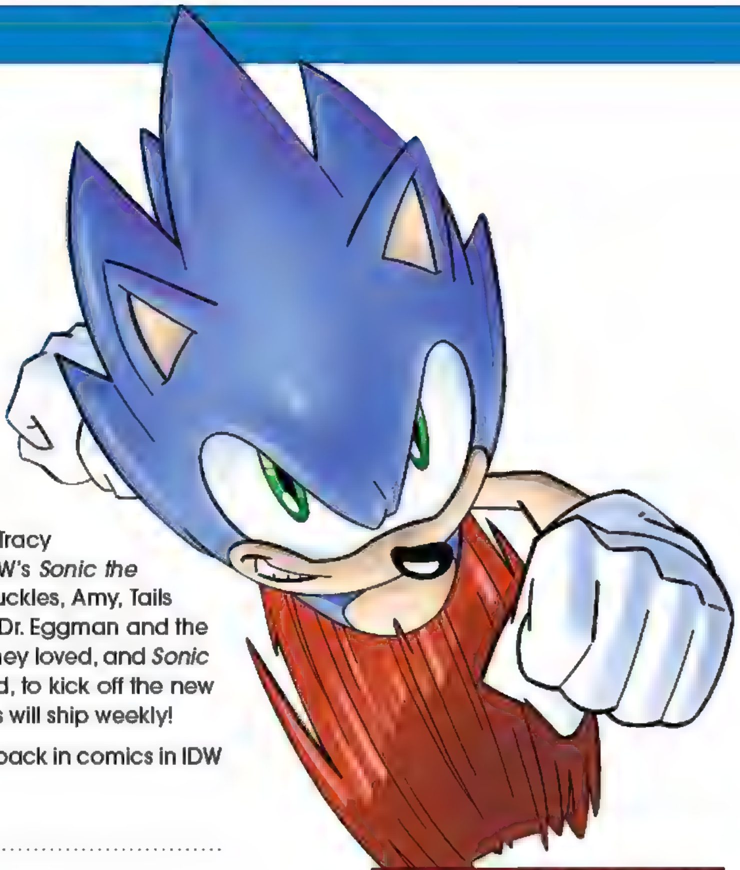
A project twenty years in the making, Brenden Fletcher and Karl Kerschel reunite for a story of a royal guard, the queen she has sworn to protect, and the legendary and forbidden place he must find to save his kingdom in Image Comics' new fantasy series, *Isola!*

Transformed into a tiger by her wicked brother, Queen Olwyn of Maar is spirited away from the kingdom's capital by Rook, the captain of her royal guard, in a desperate attempt to save her life and save the kingdom from a ruinous war that would sunder the kingdom altogether. The two women, the tigrine queen and her royal guard, embark on a perilous journey in search of a fabled island halfway around the world — Isola, the isle of the dead — where the curse might be broken and Olwyn restored to her human form.

Born of a shared love of comics discovered by Fletcher and Kershcel when they were children together in elementary school, Image Comics' *Isola* is an epic fantasy of heroism, friendship, adventure, and heart that no fan will want to miss!



SEGA'S *SONIC THE HEDGEHOG* RETURNS IN A NEW IDW SERIES



Sonic the Hedgehog is one of video games' most recognizable characters, and following a lengthy run at Archie Comics, the Blue Blur finds a new home in 2018 at IDW Publishing with a new ongoing series!

Featuring fan-favorite Sonic writer Ian Flynn and artists including Tracy Yardley, Adam Bryce Thomas, Jen Hernandez, and Evan Stanley, IDW's *Sonic the Hedgehog* comics star all of your favorite characters — Sonic, Knuckles, Amy, Tails — as well as new characters to the Sonic universe in action against Dr. Eggman and the Badnik robots. Long-time *Sonic* fans will find the all-ages adventure they loved, and *Sonic the Hedgehog* #1 marks the perfect entry point for new readers. And, to kick off the new era of Sonic's adventures, the first four issues of IDW's new *Sonic* series will ship weekly!

Debuting in April, Sonic and his friends from SEGA's video games are back in comics in IDW Pubishing's *Sonic the Hedgehog* #1!

SET SAIL FOR PEPPERLAND IN THE *YELLOW SUBMARINE* GRAPHIC NOVEL

It was fifty years ago today, more or less, that Old Fred left Pepperland in a yellow submarine in search of someone who could save his magical land from the Blue Meanies, and the people he found were the Beatles. Based on 1968's acclaimed animated film *Yellow Submarine*, *MAD Magazine*'s Bill Morrison's adaptation of the film is coming your way this summer from Titan Comics to mark its fiftieth anniversary!

From recreating the Peter Max-inspired psychedelic animation to translating the Beatles' music into words and pictures, Morrison lovingly takes readers on a journey into a pop psychedelic masterpiece. It's all too much for Old Fred and Jeremy Hillary Boob, but all together now and with a little help from their friends, the Beatles will channel Sgt. Pepper's Lonely Hearts Club Band and tell you that all you need is love. Think for yourself this summer, pick up Morrison's adaptation of Titan Comics' *Yellow Submarine*, and experience a day in the life of the wondrous world of Pepperland with its tangerine trees and marmalade skies!

PREVIEWS MARKS BLACK HISTORY MONTH WITH A FOCUS ON BOOKS THAT SPEAK TO THE BLACK EXPERIENCE

In 1915, Dr. Carter G. Woodson and Rev. Jesse E. Moorland co-founded the Association for the Study of Negro Life and History (ASNLH). Their goal was to research and bring awareness to the largely ignored, yet crucial role black people played in American and world history. Carter Woodson understood the value of education. He also felt the importance of preserving one's heritage and, upon his urgings, the fraternity Omega Psi Phi created Negro History and Literature Week in 1920, later changed to Negro History Week in 1926.

Woodson selected the month of February for the celebration as a way to honor the birth of two men whose actions drastically altered the future of black Americans: Abraham Lincoln and Frederick Douglass. In the 1970s, the ASNLH, now called the Association for the Study of African American Life and History, changed Negro History Week to Black History Week, then, in 1976, extended it to a month-long observance, now recognized and widely celebrated by the entire nation on both a scholarly and commercial level.

February is National Black History Month, and in February's ***PREVIEWS*** we showcase comics and graphic novels that feature black main characters, are created by African-American creators, or somehow describe the black experience in America. Among the books we're offering this month are IDW Publishing/Top Shelf's *March* trilogy by Rep. John Lewis (D-GA) about the Civil Rights Movement in the 1960s; Abrams' *Octavia Butler's Kindred*, an adaptation of Butler's acclaimed science-fiction novel about a modern American woman who discovers first-hand the horrors of slavery through time travel; Garth Ennis' *Dreaming Eagles* from Aftershock Comics, about the Tuskegee Airmen during World War II; sports biographies from Fantagraphics Books such as *Michael Jordan: Bull on Parade* and *21: The Story of Roberto Clemente*; Mark Long, Jim DeMonakos, and Nate Powell's powerful graphic novel about integration from :01 First Second, *The Silence of Our Friends*; TwoMorrows Publishing's biography of a Golden Age artist, *Matt Baker: The Art of Glamour*, and YouNeek Studios' new line of super-heroes based on African history and myth: *EXO: The Legend of Wale Williams* and *Malika: Warrior Queen*. Look throughout the catalog this month for the Black History Month icon to discover these and many other books that explore the history and culture of African-Americans!

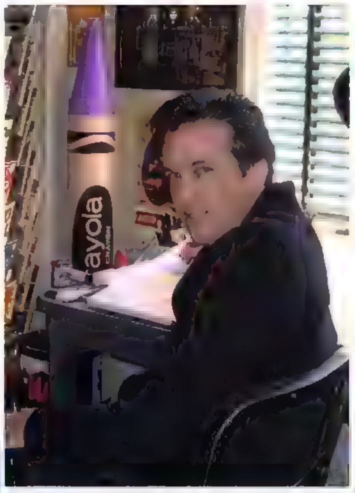
TITAN COMICS

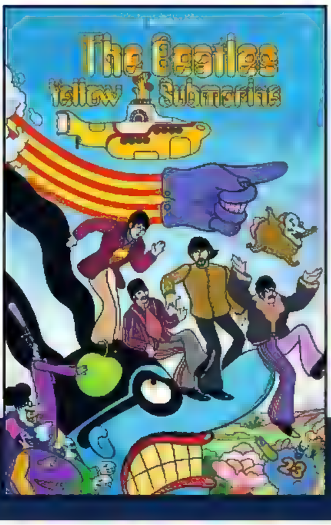
CELEBRATING THE 50TH ANNIVERSARY OF THE BEATLES' YELLOW SUBMARINE COMES THIS FULLY AUTHORIZED GRAPHIC NOVEL ADAPTATION!

FEATURED ITEM

2018 marks the 50th anniversary of Yellow Submarine – and to celebrate, this August Titan Comics is publishing a beautifully illustrated graphic novel of the film, adapated by illustrator, comic writer and co-founder of Bongo Comics, and the new Editor of Mad Magazine, Bill Morrison.

Here Bill Morrison provides an insight into Titan's new Yellow Submarine graphic novel adaptation...





BILL MORRISON - WRITER

Tell us about your first contact with the Beatles' music.
When I was a about five, the first record album that I owned was a record of *Alvin and the Chipmunks* singing The Beatles' hits... Then, like everyone else in America, I saw The Beatles on TV on The Ed Sullivan Show and we all went nuts. We knew it was a big deal. I remember, growing up, having Beatles music on in the house all the time. Between my brother and my two older sisters, we had the whole catalogue.
It was probably in the 70s that I saw *Yellow Submarine* on television for the first time.

What did you enjoy about *Yellow Submarine* when you first saw it?
I think the design aspect of the characters and the look of the whole movie. Growing up, when I was about 10 in the early 70s, I really became a fan of [US pop artist] Peter Max – I know he had nothing to do with the film but there was definitely a similarity in style. I was really taken by that look. When I first saw *Yellow Submarine*, I was really taken by the way it flowed and the design of everything.

What gave you the idea to adapt *Yellow Submarine* into a comic?
When the film was nearing its 30th anniversary in 97 or 98, I was given the opportunity to create an adaptation for Dark Horse Comics. I was really excited and I jumped at the chance. Originally, it was going to be a 48-page adaptation. I did an initial cover and 25 pages but then had to stop as the deal fell through. But now I'm finally able to pick it up again!

How did you approach adapting the film into a graphic novel?
I needed to take advantage of the graphic medium that it's being presented in. I started asking myself, "what do comic books and print have that they can't really do in a film? I hit on the idea of really making each page look like a poster – like psychedelic blacklight posters that I used to have all over my walls in the 70s. I thought I could make these pages graphically stimulating. So I started designing the pages with that in mind – with that graphic poster sensibility – and I got really excited about it. People who have seen the pages – fans of the original movie – have really liked it and thought, "he's doing something different with it."

How do you think the Yellow Submarine film has aged over the years?
It's definitely a film of its time but it does hold up. You can watch it and it doesn't feel dated – especially if you have a nice crisp print of it. The colors are vibrant, the music's great, the animation is wonderful. It definitely holds up really well.

I'm watching it over and over again for the graphic novel adaptation and it's just fun – it doesn't get old. There's always so much to look at. I think it's brilliant.

BOOKSHELF MAGAZINE #26

BookShelf Magazine is as a handy print resource for librarians, educators, media specialists, and more! Published by Diamond, this comic-sized magazine is designed to complement the excellent website — *www.diamondbookshelf.com* — which promotes comic books and graphic novels as educational tools. Whether you are a teacher, educator, or reading specialist seeking to incorporate comics or graphic novels into the classroom; or a librarian or media specialist looking for assistance with graphic novel collection development, ***BookShelf*** will provide you with comprehensive information on the latest graphic novel educational news, interviews with leading creators and library/school professionals, new release information formatted specifically for librarians/media specialists, along with useful resources such as GN reviews, core lists and school lesson plans.

Here's what you'll find in print edition of **BookShelf #26**:

- A front-page feature of *Coyotes Volume 1* from Image Comics
- An overview of best-selling graphic novels about myths, legends, and folklore
- A look into the rise of graphic novels on awards lists
- An exploration into how graphic novels can bridge the time between picture books and chapter books
- A sneak peek at an upcoming graphic novel
- Summer 2018 Recommended Reads
- Reviews & Lesson Plans by Professor Katie Monnin
- And more!

OVERWATCH/ BLACK HAMMER

(W) Andrew Robinson & Various (A) Kate Niemczyk, Wilfredo Torres (CA) Kate Niemczyk
Two different worlds, two compelling tales! In *Overwatch*, agent Zarya is sent to eliminate an elusive hacker, and she is at her wit's end. She reluctantly teams up — and butts heads — with an omnic hacker. As they hone in on their target, Zarya realizes that she will have to reassess her worldview about omnics. Then, in the world of *Black Hammer*, but a thousand years in the future, a collection of teenage superheroes, inspired by the legendary heroes of Black Hammer Farm, are determined to solve the riddle of what happened to those last great heroes of the twentieth century.

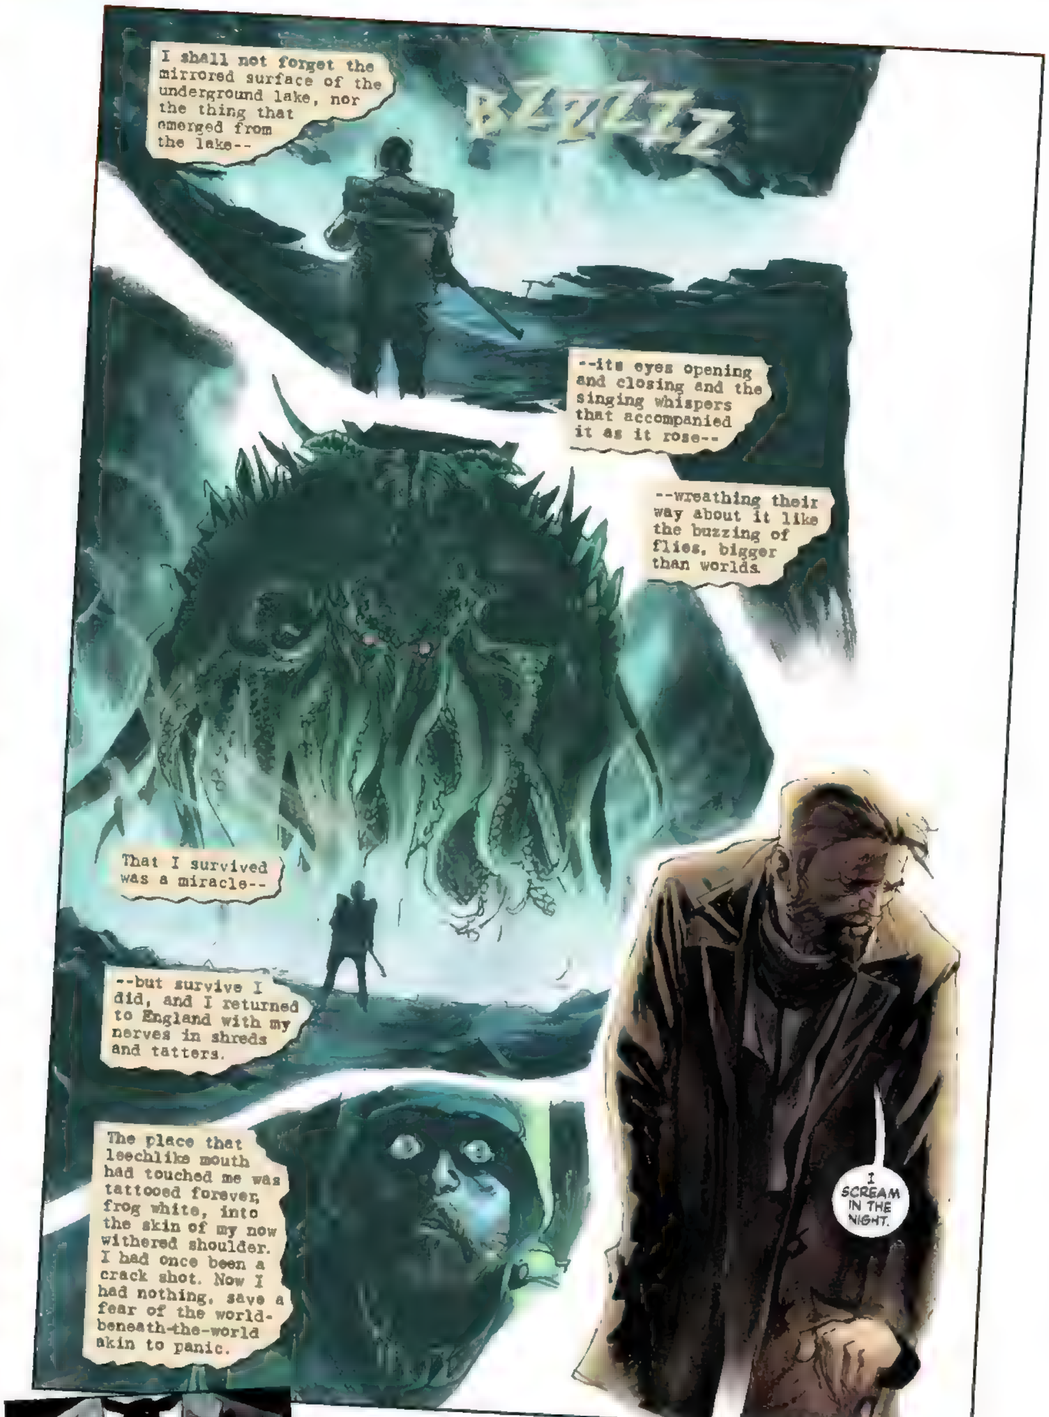
This supernatural mystery set in the world of Sherlock Holmes and Lovecraft's Cthulhu Mythos features a brilliant detective and his partner as they try to solve a horrific murder.

This complex investigation takes the Baker Street investigators from the slums of Whitechapel all the way to the Queen's Palace as they attempt to find the answers to this bizarre murder of cosmic horror!

From the Hugo, Bram Stoker, Locus, World Fantasy, Nebula award–winning, and *New York Times* bestselling writer Neil Gaiman comes this graphic novel adaptation with art by Eisner Award-winning artist Rafael Albuquerque!

- **Lovecraft meets Sherlock Holmes.**



I shall not forget the mirrored surface of the underground lake, nor the thing that emerged from the lake--
BZZZZZ
--its eyes opening and closing and the singing whispers that accompanied it as it rose--
--wreathing their way about it like the buzzing of flies, bigger than worlds.
That I survived was a miracle--
--but survive I did, and I returned to England with my nerves in shreds and tatters.
The place that leechlike mouth had touched me was tattooed forever, frog white, into the skin of my now withered shoulder. I had once been a crack shot. Now I had nothing, save a fear of the world-beneath-the-world akin to panic.

Written, edited, designed, and directed by Dave McKean

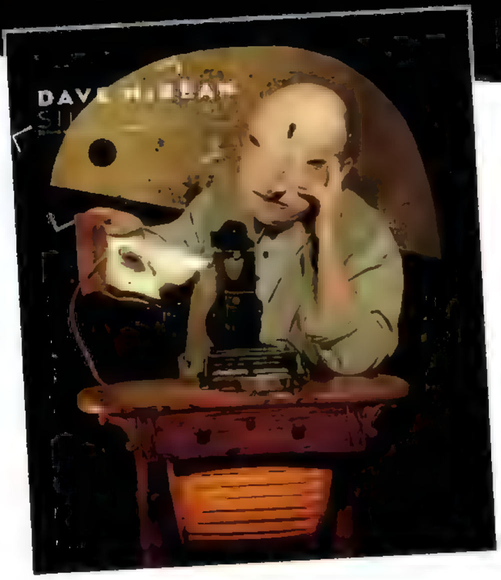
By the time I started thinking about making a film, I'd spent ten years making illustrations, comics, photographs, and designs for a variety of projects, and I really missed music.

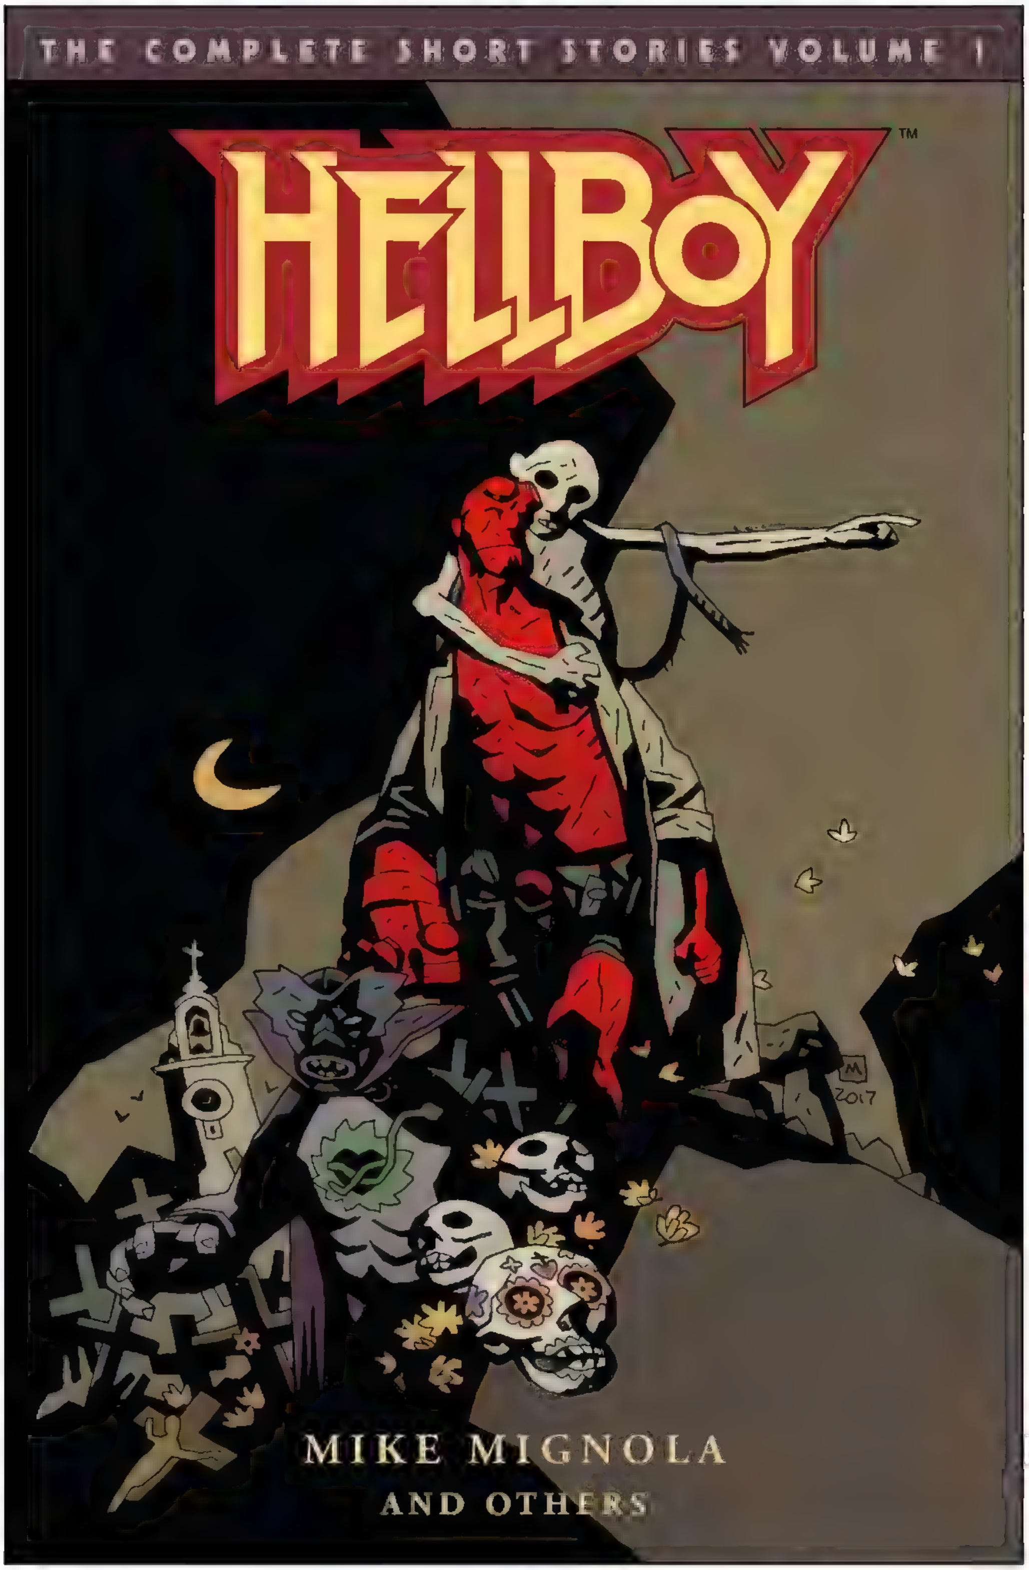
Art and music were the most important things in my life and I'd really neglected the latter. I was keen to try and make a film so I could create a sound world as well as a visual world, and I wanted to try and find a film equivalent of my still images.

For some reason, I can't remember why, I started imagining little comedic sequences while listening to the evocative recordings of Django Reinhardt.

Simon Moorhead was keen to produce. He'd had experience as a line producer and location manager for TV, including the seminal *Threads*. He brought in cinematographer Antony Shearn. I had done a little work with Max McMullin, who had moved from being a painter to an animator.

A film with such a small crew and no budget needed a manageable story idea, so I thought it should be about God creating everything in the universe. But rather than being the ACTUAL week in which he was supposed to have achieved this feat, it's the week before that one. The week where he showed up on Monday morning with the best intentions of creating the universe, but couldn't think of anything. It was, in essence, about the act of creativity. About staring at that blank piece of paper, trying to find a starting point, and the various prevarications that get in the way.





HELLBOY: THE COMPLETE SHORT STORIES

VOLUME 1 TP

Mike Mignola (W/A/Cover), John Byrne (W), Richard Corben (A), Duncan Fegredo (A), Mick McMahon (A), and Dave Stewart (C)

On sale June 20
FC, 368 pages
$24.99
TP, 7" x 10"

In 1994 Mike Mignola released the first *Hellboy* series, *Seed of Destruction*, as Hellboy faced his supposed destiny as Beast of the Apocalypse. Before that, he'd spent fifty years fighting monsters as a somewhat carefree member of the Bureau for Paranormal Research and Defense. *The Complete Short Stories* volumes 1 & 2 present those early adventures.

"The Crooked Man" and "Double Feature of Evil," both of which earned Mignola and his legendary collaborator Richard Corben Eisner Awards, are collected with the complete "Hellboy in Mexico" saga, featuring collaborations with Corben, Mick McMahon, Gabriel Bá, and Fábio Moon, as well as one of Mignola's early masterpiece, "The Corpse."

This 368-page volume covers Hellboy's adventures from 1947 to 1961.

THE SILENCER #4

Written by DAN ABNETT • Art by VIKTOR BOGDANOVIC • Cover by JOHN ROMITA JR. and SANDRA HOPE

"PAYBACK TIME" part one! The Silencer has been targeted by every hit man, meta-mobster and weapons-depot dropout that the Leviathan organization has to offer—now it's time for Honor Guest to take the fight back to them! Too bad Deathstroke has other plans. Silencer squares off against Slade Wilson as we kick off a brand-new epic! And this duo's devastating past run-in will leave you speechless!

DC SUPER HERO GIRLS: OUT OF THE BOTTLE TP

Written by SHEA FONTANA • Art by MARCELO DiCHIARA, AGNES GARBOWSKA and MIRKA ANDOLFO

Cover by YANCEY LABAT

Harley Quinn takes center stage in the new volume of the DC Super Hero Girls graphic novel series, DC SUPER HERO GIRLS: OUT OF THE BOTTLE!

For an assignment in Ms. June Moone's art class, the girls are working on their very own comic books. The character-created comics pages give us a glimpse into each girl's personality. But Harley isn't satisfied with her comics creation and thinks a little of Ms. Moone's special paint will really help her drawings come to life! The problem? Harley's drawings literally come to life!

Covers by BRUNO REDONDO and JUAN ALBARRAN

Even with the help of Superboy and the Teen Titans, Batman and his team still face desperate odds against the seemingly invincible Amazo. The Atom also uncovers a terrifying secret about Amazo. Meanwhile, in Gorilla City, Damian, Vixen and Animal Man have to make a risky decision.

And in issue #23, it's all hands on deck for the start of the final battle against Amazo. Former enemies are forced to reunite to stop Professor Ivo's creation and Ra's al Ghul's mad, genocidal plan. Ra's' own team seems to be fracturing at the same time. And a secret weapon is finally unleashed!

JUSTICE LEAGUE #42-43

Written by CHRISTOPHER PRIEST • Art by PETE WOODS • Covers by DAVID YARDIN • Variant covers by J.G. JONES

Retailers: These issues will ship with two covers each. Please see the order form for details.

"JUSTICE LOST" part two! Trapped in the chaos of tribal conflict, the Justice League becomes divided over whether to intervene in a civil war in order to protect thousands of fleeing refugees—and a crucial decision could have dire consequences for one of their members! Meanwhile, Batman and Aquaman clash over how to take down the nemesis known only as the Fan, who holds all of their secrets hostage.

"JUSTICE LOST" finale! Struggling to save one of their own and extricate themselves from the grip of war, the Justice League's hand is forced by the mercenary Deathstroke! Decisions must be made about Red Lion's brutality, the insidious tactics of the Fan and the League's role as the World's Greatest Heroes. When the dust settles, will the old alliances still stand?

ABSOLUTE KINGDOM COME HC NEW EDITION

Written by MARK WAID
Art and cover by ALEX ROSS

Winner of five Eisner and Harvey Awards, KINGDOM COME is the best-selling graphic novel from acclaimed writer Mark Waid and superstar painter Alex Ross, now back in print as an Absolute Edition!

In the not-so-distant future, the DC Universe is spinning inexorably out of control. The new generation of heroes has lost their moral compass, becoming as reckless and violent as the villains they fight. The previous regime of heroes—the Justice League—returns under the most dire of circumstances, which sets up a battle of the old guard against these uncompromising protectors in a conflict that will define what heroism truly is. Collects KINGDOM COME #1-4.

THE CROW: VAULT OF SHADOWS, BOOK 1

writer **James O'Barr, John Wagner**

artist **James Vance, Alexander Maleev, Charlie Adlard**

cover **Kyle Hotz**

Crow creator **James O'Barr** envisioned "Dead Time" as a new *Crow* film, a tale of grief, reincarnation, and long-sought vengeance, reaching from the 1860s to the present day. In "Flesh & Blood," a federal conservation officer is murdered in a bombing during the midst of a rural land-rights struggle, but little do her killers know, she wasn't the only victim. Finally, in "Wild Justice," Michael didn't plan to die... but justice is wild, and he is about to learn from his two crow guides just what he needs to do to see his love again.

EIGHT MILLION WAYS TO DIE

write/artist **John K. Snyder III**

In crime-ravaged 1980s New York, a troubled ex-cop turned unlicensed detective takes on his most dangerous case, hunting down a serial killer-hitman, and ultimately coming face-to-face with his deadliest enemy, himself, in **John K. Snyder III**'s graphic novel adaptation of the celebrated story by **Lawrence Block**.

Steeped in traditional pulp, Block's writing has a true gift for capturing the art of conversation between his characters. These are the lowlifes of society, for whom Block occasionally finds redemption, but who are more often among the vilest beings in human existence. Snyder's art both encapsulates and elevates these rough-cut gems in a graphic, grainy, and moody setting that evokes the dark, noir magazine covers of the period.

COMPLETE CHESTER GOULD'S DICK TRACY, VOL. 24

writer/artist/cover **Chester Gould**

Chester Gould's morality play enters the late '60s, as the cartoonist tackles concepts of retribution, constitutional rights, economic warfare, and Space-Age intrigue—all amidst the usual array of murder and violence. The stakes, however, seem higher, and the body count soars: death in space, on the high seas, behind closed doors—by gun, by laser, by asphyxiation, by explosion, and by freezing. Plus, a special feature about the aborted 1967 *Dick Tracy* TV show from the same producer who made Batman a pop culture icon. Included are all strips from July 3, 1967 to April 2, 1969.

ALACK SINNER: THE AGE OF DISENCHANTMENT

writer **Carlos Sampayo**

artist/cover **José Muñoz**

The *Official San Diego Comic-Con Blog* says Alack Sinner is "an absolutely spectacular example of what comics can be.... Muñoz's influence can be felt throughout today's comics, but there's no other work like this out there." Hard-boiled private detective Alack Sinner's adventures exhibit the trappings of traditional detective stories, but are imbued with a deep political conscience and scathing critiques of corruption in society. This second and concluding volume in the series presents **"Nicaragua," "Private Stories," "The USA Affair,"** and **"The End of the Road."**

JEROME K. JEROME BLOCHE, VOL. 2: THE PAPER PEOPLE

writer/artist/cover **Alain Dodier**

The youthful private-eye-in-training, Jerome. K Jerome Bloche—more Will Ferrell than Humphrey Bogart—is off to the French countryside, eager to solve his first real case. But an emergency summons from the Baron de Verville leads to an unexpected disappearing persons case, with two quite unhelpful suspects—the Baron's own adult children! And neither seems too concerned with the current state of affairs. For Jerome, the gothic architecture, secret passages, hidden closets, and suspicious characters are the perfect ingredients for a murder mystery!

THE JEKYLL ISLAND CHRONICLES (BOOK TWO): A DEVIL'S REACH

writer **Steve Nedvidek & Ed Crowell & Jack Lowe**

artist **Moses Nester**

cover **S.J. Miller**

At the beginning of the twentieth century, one sixth of the world's wealth vacationed in and around the tiny Georgia island of Jekyll. Captains of industry like Rockefeller, Vanderbilt, Morgan, and Carnegie all called the Jekyll area home. Blending elements of historical fact, clockwork technology, and Diesel-punk style, *The Jekyll Island Chronicles* spans an age of furious mechanical advancement while exploring the span of man's soul—whether good or evil.

In Book Two of this alt-history adventure, Peter, Helen, and the rest of Carnegie's "Specials" would like nothing more than to return to normalcy along with the rest of the country—especially after defeating their enemies in Book One. But the anarchists have other plans. Luigi Galleani and the Zeno cabal reach out across Europe and across the Atlantic to wreak havoc, divide the enemy, build an army, and capture plans for the world's deadliest weapon. If they are to be stopped, the tiny group of heroes from Jekyll will need to find new resolve, new resources, and new allies—and do it all before Nikola Tesla's most terrible creation is unleashed.

DRAGON BALL Z: PERFECT CELL

designer **Christopher Bryan**

The Cell Games are on, and the world's greatest fighters have gathered to see if they have what it takes to defeat the perfect warrior. Teaming up to take him down, Goku, Gohan, Vegeta, Krillin, Trunks, and Piccolo must strategize together in order to stop the supposedly unstoppable machine.

In *Dragon Ball Z: Perfect Cell*, 1 to 4 players will each take control of an iconic Dragon Ball Z fighter and roll their dice to generate energy. Using custom icons, players allocate their dice into performing attacks, helping other players, or buying upgrades. Players need to work together though, as Cell will continue to generate new threats that can heal him, damage all players, or lock players out of potentially game-changing upgrades.

1 - 4 players • Playable from ages 14+ • 30 - 45 minutes • MSRP $39.99 • UPC: 8-27714-01421-1

THE X-FILES: CONSPIRACY THEORY— EVERYTHING IS CONNECTED

designer **Matt Fantastic**

"What exactly happened out there, agent?" After another truly unbelievable case comes to an end, Agent Fox Mulder finds himself in a familiar seat—directly across from his superiors at the FBI. While Agent Scully urged him to tell a story that the panel would accept, Mulder's need to believe is just too great.

In *The X-Files: Conspiracy Theory—Everything Is Connected* players take turns as Fox Mulder, as he uses the provided clues to explain his conspiracy theory to his FBI superiors. But reputation is everything at the FBI, and Mulder's superiors are more interested in voting with the room rather than their gut. Mulder weaves together the conspiracy, and the superiors must deduce the way the rest of the room will vote… because the only thing worse than being an outlier is being a conspiracy theorist like Fox Mulder.

3-8+ players • Playable from ages 16+ • 20 - 60 minutes • MSRP $39.99 • UPC: 8-27714-01497-6

CHAPTER ONE

Five years from now: the security of the internet has been totally destroyed. Secrets are no longer sent over the web, they're entrusted to armed couriers called "Ledger Men," like human punching-bag Jack McGinnis. He's got a gun in one hand and a briefcase handcuffed to the other. Danger lurks around every corner, and Jack has to watch his back—because he had a part in the cyber attack that changed the world. Get in on the ground floor of this new ongoing series and thrill as we slam Jack's fist into the faces of spies, mercs, fascists, and eventually less punchable adversaries like a very grumpy artificial intelligence. From your new favorite artist, **DAVID O'SULLIVAN**, and **GERRY DUGGAN, The New York Times** bestselling author of such indie titles as **Deadpool**, **Star Wars: Chewbacca**, **Guardians Of The Galaxy**, and **Uncanny Avengers**!

"MY LOW-G LIFE," Part One
One day, gravity on earth suddenly became a fraction of what it is now. Twenty years later, humanity has adapted to its new low-gravity reality. And to Willa Fowler, a woman born just after G-day, it's...well, it's pretty awesome, actually. You can fly through the air! I mean, sure, you can also die if you jump too high. So you just don't jump too high. And maybe don't stumble into a dangerous plan to bring gravity back that could get you killed....

From writer **JOE HENDERSON** (showrunner of Fox's **Lucifer**) and artist **LEE GARBETT** (**Lucifer**, **Loki: Agent of Asgard**), **SKYWARD** is an adventure-filled exploration of our world turned upside down and a young woman's journey to find her place in it.

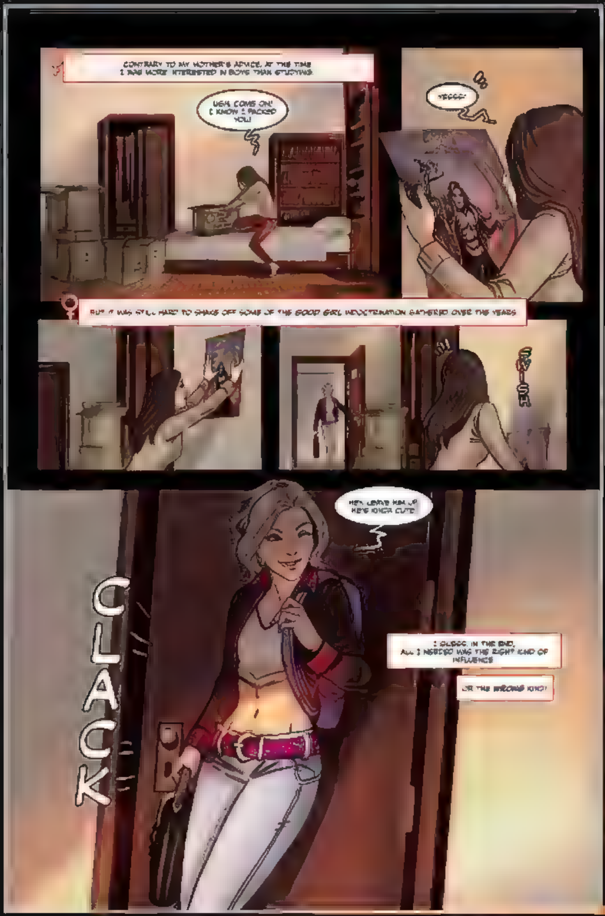
SO I KNEW I COULD ALWAYS COUNT ON HIS SUPPORT
BACK THEN, I ENVIED HIS SEEMINGLY ENDLESS PATIENCE
CATHY, WHICH ROOM NUMBER WAS IT AGAIN?
BUT IT ALL CHANGED AFTER I LEFT
AH! ONE SEC. LEMME CHECK.
OH, HEY!
I THINK WE'RE HERE!



CONTRARY TO MY MOTHER'S ADVICE, AT THE TIME I WAS MORE INTERESTED IN BOYS THAN STUDYING.
UGH, COME ON! I KNOW I PACKED YOU!
YESSS!
BUT IT WAS STILL HARD TO SHAKE OFF SOME OF THE GOOD GIRL INDOCTRINATION GATHERED OVER THE YEARS
SWISH
HEY, LEAVE HIM UP. HE'S KINDA CUTE
CLACK
I GUESS, IN THE END, ALL I NEEDED WAS THE RIGHT KIND OF INFLUENCE
OR THE WRONG KIND!

The supernatural world has gone berserk, and it's all tied to a powerful cult called the Black Temple. They want to unleash ancient dark gods on mankind and bring about the apocalypse. The only thing that stands in their way are Cole, Haley, and Ortiz. They're members of the Gravediggers Union, a brotherhood sworn to defend the living from the undead. At the center of the Black Temple's plan is a street kid named Morgan. She's the key to the coming apocalypse. Also, she's Cole's estranged daughter.

To find her, the Gravediggers will have to contend with a witch who hates their guts, a former cult member who used to be the world's biggest movie star, yuppie vampires, steroid-zombies, junk golems...and no overtime pay.

DEADLY CLASS co-creator **WES CRAIG** teams up with artist **TOBY CYPRESS** (**Omega Men**) to introduce you to the weird horror of **THE GRAVEDIGGERS UNION**.

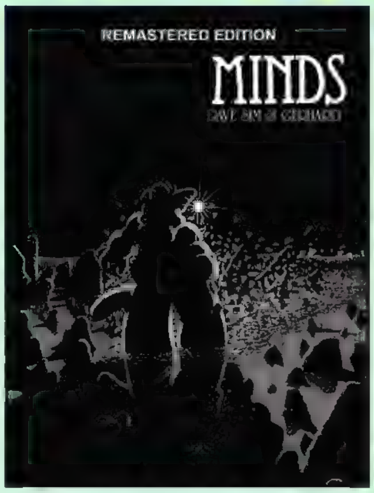
CEREBUS VOLUME 10: MINDS TP (REMASTERED EDITION)

(W/A/CA) Dave Sim



The multi-year *Cerebus* Restoration project continues! *Minds*, the tenth volume of the 6,000 page *Cerebus* epic, finds the titular misanthropic aardvark hurtling through space alongside Cirin, his opponent and fellow aardvark, both heading for a direct collision with their small-m maker — "Dave" — a mysterious being who talks with them about themselves and their world, and who just might resemble *Cerebus* writer/cartoonist Dave Sim. *Minds* is the groundbreaking conclusion to the first two-thirds of the *Cerebus* epic, presented here for the first time in remastered form: painstakingly restored page-by-page from original artwork and photo negatives, and revealing detail never before present on the printed page. This volume also includes eight brand-new pages of extras, including a 6,000 word essay by Sean Michael Robinson. (STL058238) (C: 0-0-2)

THE BEST WE COULD DO: AN ILLUSTRATED MEMOIR SC

(W/A/CA) Thi Bui

The Best We Could Do explores the anguish of immigration and the lasting effects that displacement has on a child. Thi Bui documents her family's daring escape after the fall of South Vietnam in the 1970s and the difficulties they faced building new lives for themselves in America. With haunting, poetic writing and breathtaking art, *The Best We Could Do* examines the strength of family, the importance of identity, and the meaning of home, providing inspiration to all who search for a better future while longing for a simpler past. (W) Peter J. Tomasi (A/CA) Sara Duvall

More than 130 years after its completion, the Brooklyn Bridge remains one of the most extraordinary landmarks and symbols of Brooklyn and New York City, and the story behind this architectural marvel is just as extraordinary. In this inspiring graphic novel from Peter J. Tomasi (*Superman*) and Sara Duvall you'll see the building of the Brooklyn Bridge as it has never been seen before, and the marriage of the Roeblings, one based on intellectual equality and mutual support, that made the construction of this iconic structure possible. BLACK HISTORY MONTH

A graphic-novel adaptation of Octavia E. Butler's groundbreaking science-fiction classic offers an unflinching look at slavery, race, and the role of women in society. Butler's most celebrated, critically acclaimed work tells the story of Dana, a young black woman who is suddenly and inexplicably transported from her home in 1970s California to the pre-Civil War South. As she time-travels between worlds, one in which she is a free woman and one where she is part of her own complicated familial history on a southern plantation, she becomes frighteningly entangled in the lives of Rufus, a conflicted white slaveholder and one of Dana's own ancestors, and the many people who are enslaved by him. Terry Moore's work as a writer and artist (and letterer) are on display for all to see in the new *Terry Moore: Strangers In Paradise Gallery Edition*. Celebrate the 25th Anniversary of *SIP* with this presentation of Moore's art spanning the entire Eisner Award-winning series. The evolution of Terry together with Francine, Katchoo, David and all of the other characters that inhabit the *SIP* world is captured in this 248-page, large-format, hardcover edition. The artwork contained in this Smythe-sewn deluxe edition is framed by the original 20-page version of the very first *SIP* story and *SIP* #90, the series' 2007 finale. Included between these "bookends" is a representational page from each of the 105 issues published between issues #1 and #90. Also included is an extensive Gallery section containing covers and miscellaneous *SIP* art from the last 25 years. Sourced from high-resolution scans from the original art and reproduced at the actual size, this 12" x 17" deluxe volume is printed at 200 line-screen on heavy paper stock to approximate the look and feel of the original art itself. NEW SERIES!

The legend of Vlad the Impaler is the stuff of nightmares. Vlad was the inspiration for one of the most iconic monsters—Dracula—and made his legend by murdering thousands of victims. But what turned him into such a depraved killer? The truth lies in his teenage years, when Vlad and his brother Radu were held hostage by the Ottoman Empire. During this time, the brothers learned many things—archery, riding, the art of combat, matters of court—and how to stalk and slay vampires.

From writer Cullen Bunn (*DARK ARK*, *UNHOLY GRAIL*, *X-Men Blue*, *Deadpool*, *Venom*) and artist Mirko Colak (*UNHOLY GRAIL*, *The Punisher*) comes a tale of brothers and blood that HAD to be told at AfterShock Comics.

Collecting the first five issue of this hit AfterShock series!

The wickedness of mankind has moved the Creator to destroy the world by way of the flood. Noah has been tasked with building an ark to save his family and the animals of the world. But this is not Noah's story. For darker powers have commanded the sorcerer Shrae to build his own ark and save the unnatural creatures of the world—such as the vampires, the dragons, the naga and the manticore. But what will happen on a vessel crawling with monsters, where insidious intrigue and horrific violence are the rule of law?

From writer Cullen Bunn (*X-Men Blue, Deadpool, Venom*) and artist Juan Doe (AMERICAN MONSTER, WORLD READER) comes a sinister tale of biblical proportions that HAD to be told at AfterShock Comics.

"The Animals thought, spoke and took revenge. The dust has settled and the blood dried, but a new force is rising in the West, ready to help Animal-kind seize power in the dark new world to come..."

A city by the sea rises, ruled by animals who become more human and humans who become more animal. All the while, Adam, an imprisoned veterinarian, works on the technology that would give his captors the strength to change the world...

This hardcover edition, printed in oversized format, collects all three issues of this spin-off from the fan-favorite ANIMOSITY series.

STAFF PICK

SWASHBUCKLERS: THE SAGA CONTINUES #1

Recommended by Matthew Demory

The original *Swords of the Swashbucklers*, published by Marvel Comics from 1985 to 1987 under their Epic Comics imprint from scribe Bill Mantlo (*Incredible Hulk*) and artist Jackson Guice (*X-Factor*) is considered a classic. This title wasn't on my radar when it was being published but it came to my attention in college. What I found was an amazing science fiction fantasy series that read like *Pirates of the Caribbean* in space, without Johnny Depp, add a whole lot of alien species, and the visual style of *Guardians of the Galaxy*. This should come as no surprise to Swashbuckler veterans as series writer Bill Mantlo is credited as the co-creator of Rocket Raccoon.

The new series, published by Dynamite Entertainment, is being written by Marc Guggenheim (*X-Men Gold*) and drawn by Andrea Mutti (*Port of Earth*). This new series promises to pick up right where the old book left off in the 80's making it a continuation and not a reboot of the original series. We'll see space pirate ships gigantic Colonizer vessels, space battles, and many of our favorite characters will make their long overdue return to print.

Be sure to check out *Swashbucklers: The Saga Continues* #1 this April from Dynamite Entertainment!

PROUDLY REJECTED BY FREE COMIC BOOK DAY

It's the kids' comic that you don't have to be a kid to enjoy, the comic that was too outrageous for Free Comic Book Day! We don't like to brag, but this is one of the most ridiculous things you'll see all year, with a cast that's absolutely nuts. Filbert and his reluctant pals Hazel and Cashew find themselves the toast of the town after miraculously winning their middle school science fair competition, but the town itself is about to become toast when the swirling, yowling Meowstorm roars into the city of Turtleview. And wouldn't you know it, only Filbert and his friends stand between salvation and certain cat scratches and allergic attacks. Our guarantee- If you find any other comic on the stands this month that's as ludicrous as The Filbert Factor, we'll... What are we talking about? You WON'T find another comic that's as ludicrous as this. Trust us. The Filbert Factor comes with two covers – Main and a special Blueprint Limited Edition both by Horacio Domingues & Ruben Gonzalez.

Their Future Depends on Each Other in Aspen's newest series!

The warrior world of Havos is in peril! The megalomaniac Emperor Atilus, and his bio-mechanical beasts known as the Fymiera are hell bent on a plot that spells doom for their parallel world, Earth! Enter: Sybil, a soldier princess who has come to Earth seeking aid from the only person on the planet who can help her take down the Emperor: 17-year old high school student, Elias Rivera. Teamed up with the brilliant scientist, Riley, and the quick-witted Brett, in order to save both worlds, Elias and Sybil will have to fight as one... literally.

Don't miss the premiere issue to Aspen's brand new action-adventure saga from writers Mark Roslan (BubbleGun, Broken Pieces) and newcomer Gabe Carrasco, with artist Alex Arizmendi (Edge of Venomverse: War Stories, Secret Empire: Brave New World) as they bring us a tale of two earths in need of two heroes!

UBER: COMPLETE FIRST SERIES SLIPCASE SET (Vols 1-5)

Retail Price: **$89.99 US**

Writer: Kieron Gillen   Art: Daniel Gete, Caanan White, Gabriel Andrade

About: The five volumes of collections making up the entire first series of Uber, Kieron Gillen's breakout hit reinvention of the alternative history genre, are now available now in a handsome slipcase set! April 24, 1945, the world holds its breath as the war is only days away from ending. Russian troops move through Germany to the final objective... Hitler himself. As those around the mad dictator crumble, the much ridiculed threats of the "Wunderwafen" finally materialize. A new weapon is delivered, one with unstoppable power – a weapon like no other and with a madman pulling the trigger. The Ubers change the direction of World War II providing a dark and uncompromising alternative history in a way that you've never seen.

This Slipcase Set contains the collected Uber Volumes 1,2,3,4 and 5.

Crossed +100: Mimic #2

Cover: Gabriel Andrade
Writers: Christos Gage, Pat Shand
Artists: Emiliano Urdinola, Raulo Caceres
MR, color, 48 pages, monthly

About: Two epic tales in every giant-size Crossed +100 Mimic issue! The world of Crossed +100 was created by Alan Moore and introduced us to an entire civilization and language set one hundred years after the Crossed outbreak devoured humanity. Now Christos Gage delves into that future with MIMIC, as one of Beau Salt's disciples invades a military base to pick apart the best and brightest. Each issue also has a second feature as writer Pat Shand teams up with artist Raulo Caceres to deliver a chapter of AMERICAN HISTORY X, based on the events Moore spotlighted as key points in the saga. Available with a sizzling array of covers: Regular by Gabriel Andrade, History X Wraparound and American History X by Raulo Caceres, Fatal Fantasy and Hellish Homage by Renato Camilo, and Ms Mayhem by Christian Zanier. Don't miss the three-cover Crossed Over set by Matt Martin, each limited to just 250 copies, nor the Century (of Blood) cover limited to 100 copies also by Camilo.

FORWARD GN

(W/A/CA) Lisa Maas

Forward is a life-affirming LGBTQ graphic novel about two women, both of whom are unable to move "forward" and put the pieces of their lives back together. Still in pain years after a horrible breakup, Rayanne diligently buries herself in her work. Aside from work, she has her cat. And other than her cat, she has her crushes: crushes that she prides herself on being able to resist. Ali is still feeling lost and numb almost a year after the death of her wife. Then one ordinary day something extraordinary happens: she is ambushed by her attraction to another woman that is both invigorating and fantastically inappropriate. Funny, moving, and full of heart, *Forward* is a novel that explores the parameters of second chances and the tricky emotions of grief, fear, vulnerability, and desire. (STL076689) (C: 0-1-0)

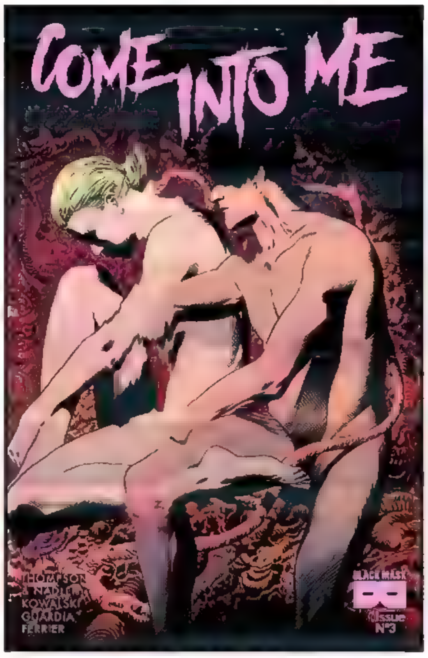
THE WILDS #3

(w) VITA AYALA (a) EMILY PEARSON
(c) MARISSA LOUISE (ca) NATASHA ALTERICI
$3.99 | 32 pages | FC | Mature

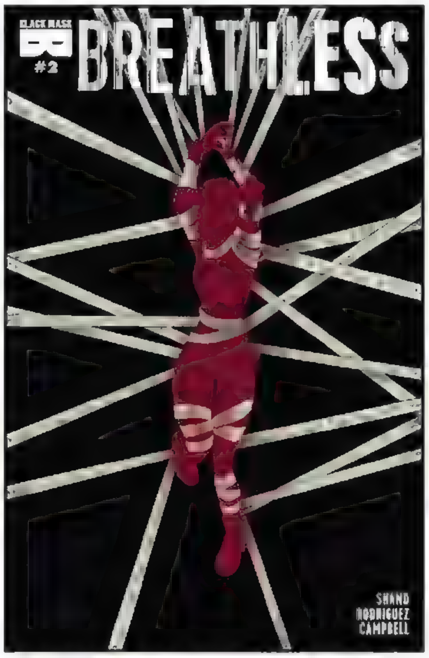
Awakening in captivity, Heather realizes that she is at the mercy of monsters worse than the Abominations. She uncovers horrifying secrets in the dark underbelly of Medical Central, which could shatter what is left of human society. Out in the wild, Daisy has traveled to The Pit to say a final goodbye to a fellow Runner, but finds herself besieged by a horde of Abominations the likes of which have never been seen...



COME INTO ME #3

(w) LONNIE NADLER & ZAC THOMPSON
(a) PIOTR KOWALSKI (c) NIKO GUARDIA
$3.99 | 32 pages | FC | Mature

When someone else controls your body, where do you go? The flesh can only handle so much before it begins to break.



BREATHLESS #2

(w) PAT SHAND (a) RENZO RODRIGUEZ
$3.99 | 32 pages | FC | Mature

The healthcare horror story continues with a medical massacre, an old (and yet still adorable) dog, an old (and not quite adorable) lady, a succubus that loves to eat dogs (uh-oh), and a pair of gal pals on the run from the evil clutches of big pharma. Pat Shand and Renzo Rodriguez take the energy up to a new level when underpaid cryptozoologist Scout Turner, armed with the cure for asthma that she pulled out of the ribcage of a monster, takes aim at the corporations that have turned her pain into a commodity.

BLOOMSBURY

WHAT TO DO WHEN I'M GONE HC
(W) Suzy Hopkins
(A/CA) Hallie Bateman
One sleepless night while she was in her early twenties, Hallie Bateman had a painful realization: Someday, her mother would be gone. The prospect was devastating, and also scary — how would she navigate the world without the person who gave her life? She thought about all the motherly advice she would miss, advice that could help her through the challenges to come, including the ordeal of losing a parent. The next day, Hallie asked her mother, writer Suzy Hopkins, to record step-by-step instructions for her to follow in the event of her mom's death. The project became a way for mother and daughter to discuss everyday realities with humor, openness, and gratitude. Combining Suzy's witty and heartfelt advice with Hallie's quirky and colorful style, *What to Do When I'm Gone* is the illustrated instruction manual for getting through life without one's mom. $3.99 • 32 Pages • Full Color

Brian Wood, the visionary writer behind *DMZ* and *Briggs Land*, and Jorge Coelho *(Venom, Rocket Raccoon)* present a provocative vision of a future where justice is crowdsourced... and lethal.

It's been decades since the RoboCop program first began. Corporations have taken over the schools and the government—and law enforcement is the biggest private contract of all.

Traditional police forces no longer exist as all citizens are encouraged—and rewarded—to spy on their neighbors. There is only one authority on the streets: ROBOCOP.

WILD'S END VOL. 3: JOURNEY'S END OGN SC

ADVANCE SOLICITED FOR JUNE 2018 RELEASE

Written by **Dan Abnett**
Illustrated by **I.N.J. Culbard**
Cover by **I.N.J. Culbard**
$19.99 • 160 Pages • Full Color

The conclusion to the celebrated, anthropomorphic, sci-fi comic series is finally here, presented as an original graphic novel. Despite the military's best efforts, the alien invaders have seized a firm grip on the world. Cities have been invaded and the countryside overrun, leaving little hope for humanity's resistance. With few options left, the survivors will need to look to the very people they once feared to make a last ditch effort to turn the tide of the war.

Written by Dan Abnett *(Guardians of the Galaxy, Aquaman Rebirth)* and illustrated by I.N.J. Culbard *(Doctor Who)* in the classic sci-fi tradition but with an anthropomorphic twist, *Wild's End: Journey's End* reveals powerful acts of humanity persevering in the face of war on a worldwide scale.

THE RED DIARIES: THE KENNEDY CONSPIRACY TP

(W) Gary Reed (A) Christopher Jones & Various (CA) Ken Meyer

It started with a single Red Diary. Inside it contained all the secrets the owner had listened to and talked about with her lovers. She wrote down everything. Her lovers were powerful men and when she threatened to go public with it, she died. Murdered? Perhaps. But the diary went missing. The woman was Marilyn Monroe and her lovers included President John F. Kennedy and his borther Robert Kennedy. Her death remains a mystery... as does the contents of the Red Diary. Now a man claims to be the son of Marilyn Monroe. Her father? Perhaps one of the Kennedys, but he doesn't know which one. But a mob hit-man had stolen the diary. From the assasination of Kennedy and cover up, the deaths of Martin Luther King and Robert Kennedy to Watergate, our hit-man chronicles all he knows. (STL076219)

The human body consists of roughly 60% water. Imagine if you could manipulate that water to shapre and alter the human form. That's exactly what doctors at the Weirdsdale Spa and Country Club have been doing — at least until something goes horribly wrong. After spending her life savings on the controversial cosmetic surgery Alice Galloway disappears. When her twin sister, Inspector Maria Galloway shows up at the Weirdsdale Spa looking for answers, officials are already in cover up mode. The last thing they need is a rogue cop snooping around. This would not be the first time Maria saved her sister's life, but would it be the last? (STL076222)

O/A QUEEN STREET MMPB

(W/A/CA) Emmanuelle Chateauneuf

Meet Aimee, an overworked junior partner at a prestigious law firm in Manila. One storybook romance, four back-to-back flights, and nine years later, in the small of mind but big in spirit town, Sault Ste. Marie, Ontario, Canada, she now lives; still overworked. But as a lower class serial-full-timer and mother to her only child, Melodie, an intelligent and eccentric seven-year-old, whose big personality is only rivalled by her even bigger imagination. Join them and a cast of unlikely characters just as confused and lost, as they stumble blindly for twelve consecutive hours through the beautifully disastrous comedy of Life. Don't miss this breakout semi-autobiographical slice of life tale from Emmanuelle Chateauneuf. (STL052420)

SINK VOLUME 1: WELCOME TO GLASGOW TP

(W) John Lees (A/CA) Alex Cormack

Killer clowns in a blue van, shovel-wielding fox-masked vigilantes, and the last bus you'd ever want to ride... You must be in Sinkhill! *SINK* Volume 1: *Welcome to Glasgow* collects the sold-out, smash hit first volume of the crime horror series Big Comic Page calls "brutal, shocking, and packed with a creeping sense of dread that will linger long after you've finished reading." You'll enter a forgotten East End district of a warped funhouse mirror vision of Glasgow, Scotland. Sinkhill is a hive of crooks, deviants and killers, and ordinary folk unfortunate enough to live among them. (STL076577)

DAYGLOAYHOLE #1

Recommended by Leigh Tyberg

The world has ended.

Long live the world.

When we think of post-apocalyptic dystopian wastelands, it's rare that we apply the mundanities of life to them. *Daygloayhole* does just that, shining a harsh light on the fact that, if the world really were to end, and civilization as we know it was to come crashing down, humans would still be humans and humans would still suck.

We would still think primarily of ourselves: our happiness, our failures and our problems, possibly even more so without all of the everyday distractions we've become accustomed to (technology, entertainment, politics, pornography, et al). We would follow the same patterns, and find ways to keep our habits alive for better or for worse.

Daygloayhole explores these ideas through a nihilistic lens tinted with the self-awareness of a Millennial who knows exactly what the world thinks of him and his generation. Taking place in what used to be New Orleans, where so many people turned to gallows humor in the wake of hurricane *Katrina*, this feels almost as if it's an extension of that sensibility. The book touches not only on art (and the fact that art is dead and it didn't take an apocalypse to kill it), but social and societal issues as well, including racism, police brutality and gentrification.

Ben Passmore serves humanity's (and very specifically, America's) failures to readers not with sadness or anger, but with a resignation that feels real and affecting.

Funny and poignant, *Daygloayhole* strikes a nerve and leaves you wanting more.

VOID OF HEROES

VOID OF HEROES VOLUME 1: SUBTERRANEAN DAWN TP
(W) Tapio Miettinen
(A/CA) Topi Koisvisto, Tapio Miettinen
After the dust of humanity has settled, one lonely mech tries to escape the wreckage of war. In its quest for the light, this mechanical warrior must first face the darkness that lurks inside. It's an action packed voyage of self discovery as this one forgotten soldier fights a final battle to reach the surface. Based on the dynamic video game, *Void of Heroes* is a dark sci-fi drama packed with epic mech battles. *Subterranean Dawn* collects the entire first mini-series with bonus material. (STL077666)

VOLUME 2

SILVER TP'S
(W/A/CA) Stephan Franck
Created by *The Iron Giant* animator Stephan Franck and taking Bram Stoker's world of *Dracula* fifty years hence into the pulp era of the 1930s, *Silver* introduces James Finnigan, a witty but (figuratively) soulless con man, who sets out to separate the living-dead from their precious silver. Personality conflicts, emotional entanglements and character comedy abound, as Finnigan assembles the crew of talented but broken misfits needed to pull off the heist of the last ten centuries. The last we saw of the crew of the Starshadow in the pages of Bill Mantlo and Butch Guice's Swords of the Swashbucklers, it seemed that all was lost. Decades later, Raader and her crew return to bring their adventuring to the cosmos once again!

Marc Guggenheim (X-Men Gold, Spider-Man) and Andrea Mutti (Rebels, Port of Earth) team up to continue the epic space adventure. Learn of the return of the legendary space pirates as The Saga Continues!

WRITTEN BY
MARC
GUGGENHEIM
(X-MEN GOLD, SPIDER-MAN)

"Swords of the Swashbucklers has long been a favorite of mine, and it remains one of the great high concepts in all of comics, which is unsurprising when you consider that Bill Mantlo and Butch Guice were the creative forces behind it. I'm humbled to continue their work and looking forward to introducing this remarkable comic to a whole new audience."
- MARC GUGGENHEIM

"I had the enormous pleasure of working with Bill Mantlo at the beginning of my own career, and I know from personal experience the vibrant infectious enthusiasm and joy Bill had for Swords of the Swashbucklers, and the stories we told together. My participation in telling the adventures of Raader, Domino, and the gang hold a very special place in my memory, and it is extremely gratifying to discover they are so fondly remembered by others as well. Thank you to everyone who has had a hand in putting this launch together, and thank you to the many people who have helped make this revival happen. I, for one, very much look forward to seeing the swashbuckling crew of the Starshadow fly once more."
- BUTCH GUICE
(co-creator of *Swords of the Swashbucklers*)

"...after more than a quarter of a century out of print (and out of sight), the epic space opera has returned in a gloriously remastered edition AND in a new series that will continue the adventures of Domino Drake and the crew of the Starshadow! The hope is that this endeavor will introduce the Mantlo/Guice masterpiece to a whole new generation of fans, and on behalf of Bill Mantlo, I'd urge everyone to carry this wondrous story far into the future by signing on for the journey through the purchase of these books!"
- MIKE MANTLO

When criminal investigations take a weird turn, the officers of the Chicago Police Department call in Harry Dresden! A wizard and private investigator with formidable yet unrefined skills, the young Dresden is more than capable of tracking down and facing the perps, whether they be black magic practitioners, blood-hungry werewolves, or worse!

This first volume of The Dresden Files Omnibus collects the complete comic book adaptations of "Storm Front" and "Fool Moon," plus over one-hundred pages of additional story content set within official continuity of Jim Butcher's beloved magic noir universe.

"A good detective story, with a supernatural wrapper that includes some nice art and interesting characters."
- MAJOR SPOILERS

"There is no good reason that everyone shouldn't be giving this comic a chance. 'Stars and Stones,' it's freaking Harry Dresden after all, you really cannot go wrong with this series."

After a high-profile case puts him in the headlines, private detective John Shaft is looking for something low profile and easy that will keep him out of the spotlight, out of danger. Shaft takes a missing person case that proves to be more difficult than he initially thought. At the same time, he is hired to be a consultant on a low budget film that may or may not be based on his life, and proves to be as dangerous as any job he's ever had. But when there's danger all about, John Shaft is the cat that won't cop out - even if it means squaring off against sadistic gangsters that want him dead.

BLANKETS

(W/A/CA) Craig Thompson
Blankets is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a Midwestern winterscape: finely-hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood, and a lonely, emotionally mixed-up adolescence. Under an engulfing blanket of snow, Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape. This groundbreaking graphic novel, winner of two Eisner and three Harvey Awards, is an eloquent portrait of adolescent yearning; first love (and first heartache); faith in crisis; and the process of moving beyond all of that. XERXES: THE FALL OF THE HOUSE OF DARIUS AND THE RISE OF THE HOUSE OF ALEXANDER #1

Recommended by Jim Kuhoric

It's been 20 years since I met Frank Miller on a tour for the new release of Dark Horse's *300* #1. After waiting in line with a few hundred people, I had the chance to meet the *Dark Knight* and *Sin City* scribe, ask a few questions, and have the opportunity for an autograph on his newest creation. At the time no one really knew what to expect out of *300*. But what we got was a one-of-a-kind story told from a unique perspective that changed the way historical tales are interpreted in comics. Frank Miller has always been a maverick, delivering powerful narratives in a medium that is ideal for his creative vision. Now after two decades, two movies, and non-stop rumors about the highly anticipated prequel, *Xerxes: The Fall of the House of Darius and the Rise of Alexander* #1 is finally here! If you enjoy Frank Miller's classics – *The Dark Knight*, *Sin City*, and *300* – then you must check out *Xerxes* #1 this month from Dark Horse. This is something you don't want to miss, so strap on your armor, pick up your shield and spear, and come back to the world of *300* screaming "**THIS…IS…SPARTA!**" (Kick in the gut optional).

MOOMIN AND THE COMET GN

(W/A/CA) Tove Jansson

A classic *Moomin* story reworked in full color, with a kid-proof but kid-friendly size, price, and format. It's getting hotter and hotter in Moominvalley, and all the creatures have taken note of the troubling weather. After a mysterious cloud appears in the sky one day, an exodus begins. The Hattifatteners, the Nibling, Mrs. Fillyjonk (and all her children), and even Mymble pack up to leave the valley. When they realize the mysterious cloud is a comet headed straight for Moominhouse, Moomin, Little My, and Snorkmaiden decide to depart their home too. Between a tidal wave and a comet-struck Moomin, the end does seem nigh, but the day may yet be saved! (STK613597)

MOOMIN BEGINS A NEW LIFE GN

MOOMIN BEGINS A NEW LIFE

(W/A/CA) Tove Jansson

When a charismatic prophet comes to town, the residents of Moominvalley are easily convinced to follow his doctrine for true happiness. Intrigued by their friends and neighbors' lifestyle changes, the impressionable Moomins find themselves attempting to adopt the teachings of their new spiritual leader. But the freer they get, the more miserable they feel. Moominvalley's state of divine chaos is further complicated by the prophet's well-intentioned decree to free all of the jail's inmates. *Moomin Begins a New Life* is an eccentric all-ages adventure from the acclaimed Finnish cartoonist Tove Jansson that explores the appeal of self-transformation and the pursuit of happiness. FIRE!: THE ZORA NEALE HURSTON STORY HC

(W/A/CA) Peter Bagge

BLACK HISTORY MONTH

Peter Bagge's biography of Zora Neale Hurston is bold and dazzling-a story as brilliant as the life itself. Hurston challenged the norms of what was expected of an African American woman in early 20th century society. She arrived in NYC at the height of the Harlem Renaissance, surrounded by peers such as Langston Hughes and Wallace Thurman. Hurston went on to become a noted folklorist and critically acclaimed novelist, including her most provocative work *Their Eyes Were Watching God*. With admiration and respect, Bagge reconstructs her vivid life in resounding full-color. (STL032546)

SUPER DIMENSIONAL LOVE GUN GN

(W/A/CA) Shintaro Kago

Be warned, this book is not for the faint of heart! Fakku Books proudly presents, *Super-Dimensional Love Gun*, the first ever book published in the United States from legendary Japanese guro manga artist, Shintaro Kago! Collecting fifteen different short stories from his almost thirty-year career, *Super-Dimensional Love Gun* features stories of neurotic dark humor and unease. Konno just recently started dating a classmate, but his greatest sexual desire may be something that could be too much for her to stomach! Miss Toomezuka has a hobby that would make others' skin crawl, but when a student introduces her to a club of like-minded individuals, she has an itch to try more. Known around the world for his "fashionable paranoia" style, Kago stories involve satirical situations along with grotesque subject matters and sexual body modification. His art has been featured in numerous collections, including Fakku's own *Metempsychosis* and BookLoud's *ComicLoud Magazine*. *Love Gun* will be Kago's second English language release behind the UK's UDWFG printing of *Industrial Revolution and World War* (2016). Legendary Seattle based indie comics publisher Fantagraphics will be releasing a collection of Kago art in the summer of 2018! BLACKBIRD DAYS

By Manuele Fior; Translated by Jamie Richards

$22.99 / HC / 88 pgs / FC / 7 x 10

Eisner Award-nominated cartoonist Manuele Fior's *Blackbird Days* is a collection of ten short stories about a father who loses his son in a Berlin park, a teacher abandoning her students in Paris, a young woman's first impressions of Oslo, a couple vacationing in Italy after receiving bad news, a man's suffering during WWI, a painter visiting the baths on Ischia and a grandmother's tale of how she escaped war in Indochina. The book is rounded out with an autobiographical snapshot of the 2015 terrorist attacks in Paris, and a finale in which two giant robots battle it out in the center of that city. Manuele Fior (*5,000 KM Per Second, The Interview*) has established himself as one of the unequivocally great graphic novelists working today.

(W/A/CA) Vera Brosgol
All Vera wants to do is fit in, but that's not easy for a Russian girl in the suburbs. Her friends live in fancy houses and their parents can afford to send them to the best summer camps. Vera's single mother can't afford that sort of luxury, but there's one summer camp in her price range — Russian summer camp. Vera is sure she's found the one place she can fit in, but camp is far from what she imagined. And nothing could prepare her for all the "cool girl" drama, endless Russian history lessons, and outhouses straight out of nightmares! Available in softcover and hardcover editions. THE CITY ON THE OTHER SIDE
(W) Mairghread Scott (A/CA) Robin Robinson
When a wealthy and sheltered young girl stumbles into a pitched war between two fairy kingdoms, the fate of San Francisco itself hangs in the balance! The first decade of the twentieth century is coming to a close, and San Francisco is still recovering from the great earthquake of 1906. Isabel watched the destruction safely from her window, sheltered within her high-society world. Isabel isn't the kind of girl who goes on adventures. But that all changes when she stumbles through the invisible barrier that separates the human world from the fairy world. She quickly finds herself caught up in an age-old war and fighting on the side of the Seelie, the good fairies. Available in softcover and hardcover editions. CRAFTY CAT AND THE GREAT BUTTERFLY BATTLE GN
(W/A/CA) Charise Mericle Harper
With her awesome crafting powers, Crafty Cat can solve any problem! This is the final volume of the exciting new trilogy from beloved author and cartoonist Charise Mericle Harper. Second grade isn't always a breeze for Birdie. There are just so many opportunities to embarrass herself! But Birdie's got a secret weapon that nobody knows about: her alter-ego, Crafty Cat! Birdie can become Crafty Cat without anyone noticing, and she always manages to get herself out of a jam using her awesome crafting skills! Everyone is excited about the school play and its lead role, the super-sparkly butterfly. Bossy Anya wants the part for herself. It will take all of Birdie's crafting skills to convince her class that she should be the star. (STL076476) (C: 1-1-0)

ONE DAY A DOT HC
(W) Ian Lendler (A) Shelli Paroline (CA) Braden Lamb
One Day a Dot explores the age-old question: Where did we come from? Where did everything come from? Starting with one tiny dot and continuing through the Big Bang to the rise of human societies, the story of our universe is told in simple and vivid terms. But the biggest question of all cannot be answered: Where did that one dot come from? *One Day a Dot* is a beautiful and vibrant picture book that uses the visual motif of circles as to guide young readers through the stages of life on Earth. PETER & ERNESTO: A TALE OF TWO SLOTHS HC
(W/A/CA) Annable Graham
A timeless friendship story in the vein of *Frog & Toad* from *Box Trolls* director Graham Annable. Peter and Ernesto are sloths. Peter and Ernesto are friends. But Peter and Ernesto are nothing alike. Peter loves their tree and never wants to leave, while Ernesto loves the sky and wants to see it from every place on Earth. When Ernesto leaves to have a grand adventure, Peter stays behind and frets. The two friends grow even closer in separation, as Peter the homebody expands his horizons and Ernesto the wanderer learns the value of home. With ridiculously cute art and simple, funny text, their reunion is even more adorable than you are imagining. SCIENCE COMICS: SHARKS

(W/A/CA) Joe Flood

Take the plunge with sharks in this volume of *Science Comics*, an action-packed nonfiction graphic novel series for middle-grade readers! Every volume is a complete introduction to a particular topic. These gorgeously illustrated graphic novels offer wildly entertaining views of their subjects. Whether you're a fourth grader doing a natural science unit at school or a thirty-year-old with a secret passion for airplanes, these books are for you! In this volume, we explore one of the most unfairly villainized and Hollywood-famous underwater predators. With their 400-million year history, their vital role in maintaining the ecosystem, their incredible specialized adaptations, and their various unique species, there is a lot more to sharks than just their ferocious jaws. DEOGRATIAS: A TALE OF RWANDA GN (NEW PRINTING)

(W/A/CA) J. P. Stassen

Deogratias is just a boy. Bénigne is just a girl. They're teenagers like teenagers everywhere, only he is a Hutu, and she is a Tutsi — so say their ID cards. In 1994, Rwanda was the site of a swift and gruesome genocide; the world watched and did nothing. In less than a hundred days, eight hundred thousand human beings were hacked to death. Stassen's interweaving of the aftermath of the genocide and the events leading up to it gives powerful expression to the unspeakable, indescribable experience of ordinary Hutus caught up in the violence. Winner of the Glyph Award. (STL076534) (C: 0-1-0) **NOTE:** This item may be available through other retail outlets before shipping to comic book specialty shops.

As the civil rights struggle heats up in Texas, two families — one white, one black — find common ground. This semi-autobiographical tale is set in 1967 Texas, against the backdrop of the fight for civil rights. A white family from a notoriously racist neighborhood in the suburbs and a black family from its poorest ward cross Houston's color line, overcoming humiliation, degradation, and violence to win the freedom of five black college students unjustly charged with the murder of a policeman. TERRY MOORE: STRANGERS IN PARADISE GALLERY EDITION

Recommended by Steven Leaf

It's no secret I've been a fan of Terry Moore going back to the beginning of *Strangers in Paradise* in the Antarctic Press days. Terry has proven to be adept at making the characters and situations in his stories relatable, and it's his combination of dialogue that's unique to a particular character combined with the nuances of facial expression and body language that makes a Terry Moore title special.

I don't use the word legend loosely and I'm not here; like legends Jack Kirby, Joe Kubert, or Will Eisner, Terry Moore now has his own deluxe oversized art book from the folks at Graphitti Designs, *Terry Moore: Strangers in Paradise Gallery Edition*. This 248 page 12"x17" hardcover will look just like Terry's originals, and we get to see his artistic evolution.

The artwork in this deluxe edition is framed by the original 20 page version of the very first *SiP* story and *SiP* #90, the series' 2007 finale. Included between these "bookends" is a representational page from each of the 105 issues published between issues #1 and #90. Also included is an extensive gallery section with covers and miscellaneous *SiP* art from the last 25 years.

The print run on this edition will be based on the orders received, so once it's sold out that's it; it will not be reprinted!

KABUL DISCO VOLUME 1: HOW I MANAGED NOT TO BE ABDUCTED IN AFGHANISTAN GN

(W/A/CA) Nicholas Wild

A satirical autobiography about a young Frenchman and his hilarious, yet poignant, adventures in the heart of the Middle East. It's 2005. Nicolas Wild is a French cartoonist. He's broke and about to be homeless. He's a man without a plan. That is until destiny shows up in his inbox: a paid job... In Afghanistan! In his graphic *Travelogue* series, Nicolas Wild brilliantly explores the differences between the Afghan cultures around him and his own, as he and his fellow expat friends crash Asura celebrations, avoid the afterlife and muse on the differences between Christian Easter egg hunts and Islamic penance. MAFIA III: THE RISE AND FALL OF SAL MARCANO GN

(W) Tieri, Frank (A/CA) Richard Pace

New Bordeaux is a city on the edge of the bayou — and on the edge of chaos. A hazy, fictional recreation of New Orleans in the 1960s, New Bordeaux is the kind of town where violence is the only way to survive and crime is the only way to get ahead. When gang warfare pushes the city to the brink, its citizens will discover the bayou can swallow a lot of secrets. And a lot of blood. Brought to vivid life by artist Richard Pace, *Mafia III* features the expansive world building and harsh realism that fans have come to expect from the video game series. With an original story that tells the rise to power of Sal Marcano by comic-noir writer Frank Tieri, this graphic novel is a new piece of the *Mafia* universe that fans will want to return to again and again. Mahi Grand

A story about a strong, modern woman and her desire to understand her family's origins, set within the politics of the Middle East and the West.

Olivia had always heard stories about Algeria from her maternal grandmother, who had emigrated to France after the Algerian War of Independence. Years after her grandmother's death, Olivia decides to travel to Algeria and experience the country for herself; she arrives alone, with only a single phone number in her pocket of an Algerian, Djaffar, who will act as her guide. Olivia's quest to understand her origins will bring her to face questions about heritage, history, shame, friendship, nostalgia, and memory.

LION FORGE

DreamWorks VOLTRON LEGENDARY DEFENDER

The second phase of the mission to infiltrate the Galra's SPRAWL is underway, and this time the team must figure out a way past the impenetrable shield that protects the planets. Luckily, Hunk and his engineering know-how are on the case!

But to create a device to break through the barrier, Hunk needs to get his hands on the ore of a neuron star, and just a tablespoon of that can weigh ten million tons. And the closest neuron star is surrounded by giant star-eating birds and a gravity pull that not even Voltron can withstand.

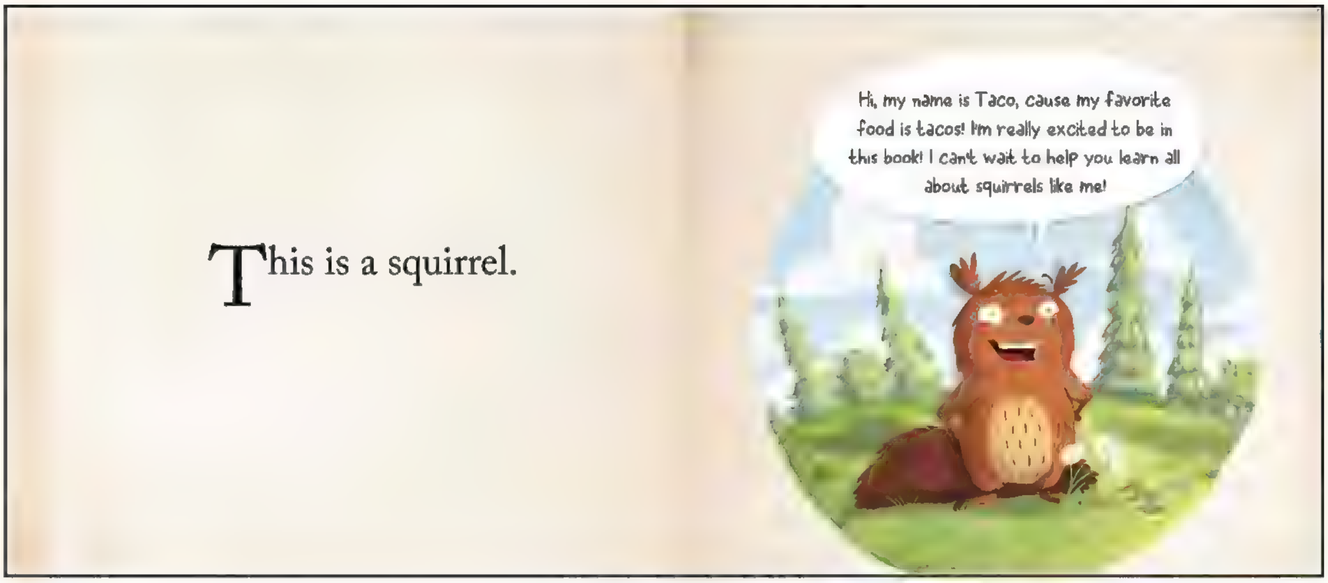
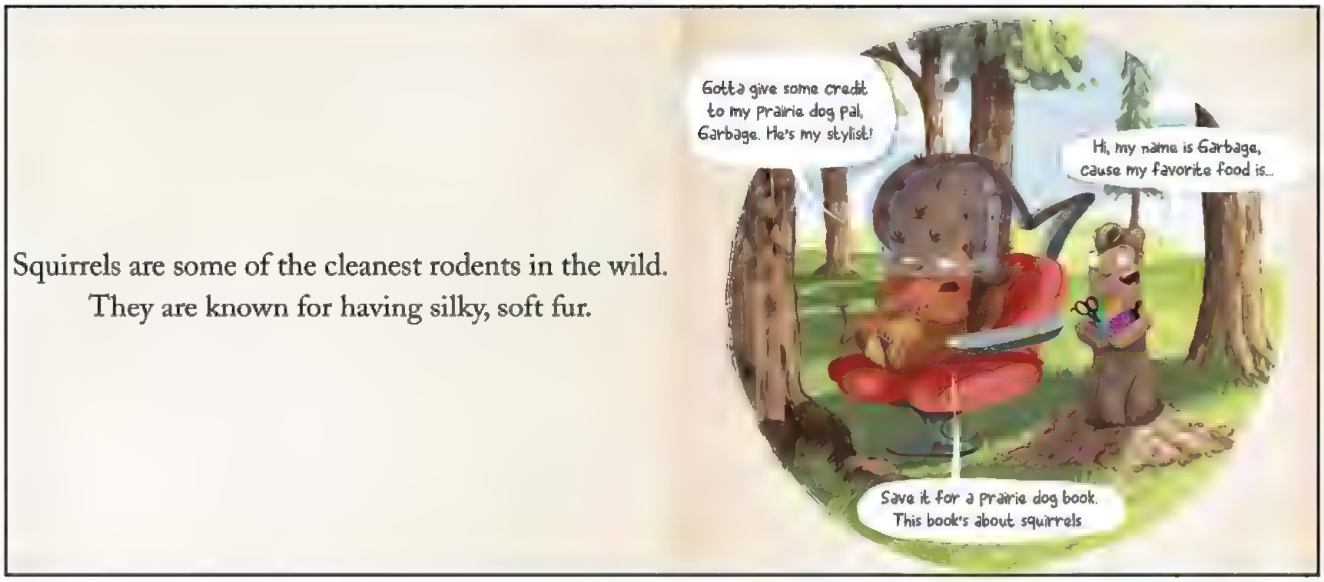
Hey, need a squirrel for your book? I work for peanuts, but I prefer tacos.



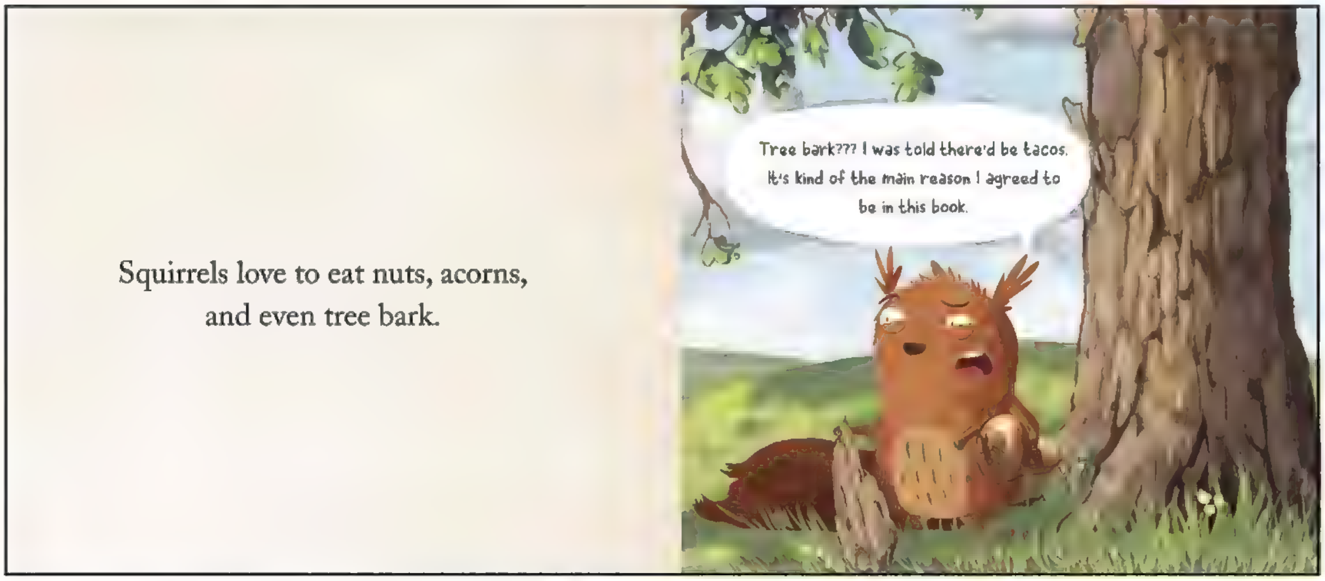
This is a squirrel.

Hi, my name is Taco, cause my favorite food is tacos! I'm really excited to be in this book! I can't wait to help you learn all about squirrels like me!



Squirrels are some of the cleanest rodents in the wild. They are known for having silky, soft fur.

Gotta give some credit to my prairie dog pal, Garbage. He's my stylist!
Hi, my name is Garbage, cause my favorite food is...
Save it for a prairie dog book. This book's about squirrels



Squirrels love to eat nuts, acorns, and even tree bark.

Tree bark??? I was told there'd be tacos. It's kind of the main reason I agreed to be in this book.

THE NEW WORLD: COMICS FROM MAURETANIA GN

(W/A) Chris Reynolds

Since the mid-1980s, the British cartoonist Chris Reynolds has been assembling a world all his own. On the surface, it seems much like ours. But the closer you look, the weirder it gets. After losing a mysterious intergalactic war, Earth is no longer in humanity's control. Blandly friendly aliens lurk on the margins and seem especially interested in the mining industry. Mysterious figures suddenly appear in childhood photos, family members disappear forever without warning, power outages abound, and certain people gain the power of flight. A helmeted man named Jimmy is somehow causing local businesses to shutter and is being closely watched by the "trendy new police force," Rational Control. The world is being remade, but in what image? (STL076605) (C: 0-1-0)

With unsettling power, the title story depicts the lives of undocumented migrant workers in Paris. Alain, a Beninese immigrant, struggles to protect his family and his white girlfriend, Claire, while engaged in a strange, tragic dance of obsession and repulsion with Mario, a retired French Algerian policeman. It is already a classic of alternative comics, and, like the other stories in this collection, becomes more urgent every day. Depicting thrilling scenes of battles, gunships, castle sieges, and the samurais' heroic last stand, this book portrays the bloody uprising of 1887, when Satsuma area rebels, led by the infamous Saigo Takamori, fought enforced modernization by the Meiji Japanese government. Their crushing defeat by the imperial army ended their power once and for all and ushered in an era of modern technology and western military methods. Wilson's thrilling narrative and Shimojima's striking images convey both the drama of these events and the importance of the historical moment. (STL076331) (C: 0-1-0)

A QUICK & EASY GUIDE TO THEY/THEM PRONOUNS

ARCHIE BONGIOVANNI (W/A/CA) **TRISTAN JIMERSON** (W)

64 Pages, Softcover, 5" x 7", $7.99

Release Date: 06/13/18 – **TEEN**

Archie, a snarky genderqueer artist, is tired of people not understanding gender neutral pronouns. Tristan, a cisgender dude, is looking for an easy way to introduce gender neutral pronouns to his increasingly diverse workplace. The longtime best friends team up in this short and fun comic guide that explains what pronouns are, why they matter, and how to use them. They also include what to do if you make a mistake, and some tips-and-tricks for those who identify outside of the binary to keep themselves safe in this binary-focused world.

A quick and easy resource for people who use they/them pronouns, and people who want to learn more!

SEASONAL OPPORTUNITY

June is also LGBT Pride Month!

GREAT VALUE

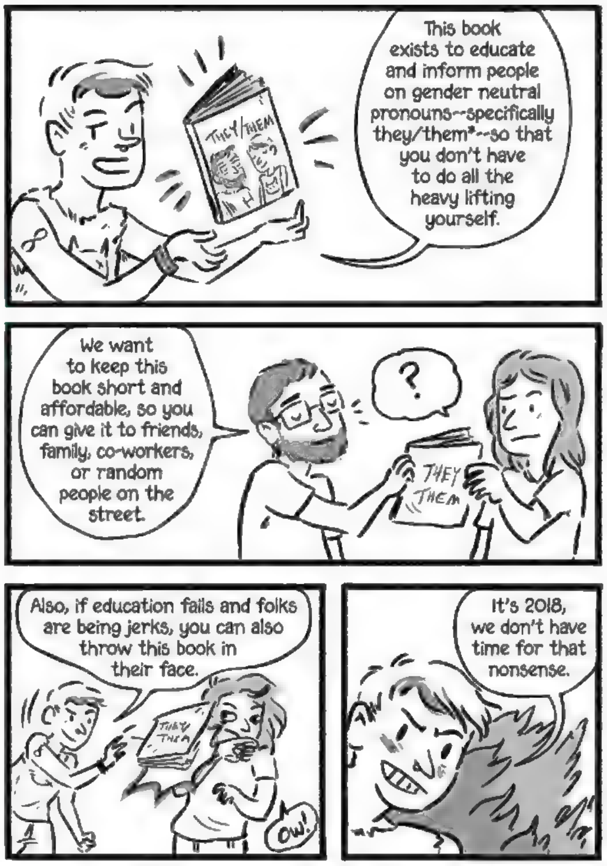
At $7.99, this book is designed to be affordable for many readers, and easy to give as a gift.

ENTERTAINING AND EDUCATIONAL

While guiding the reader through the material, the authors also include a lot of humor.

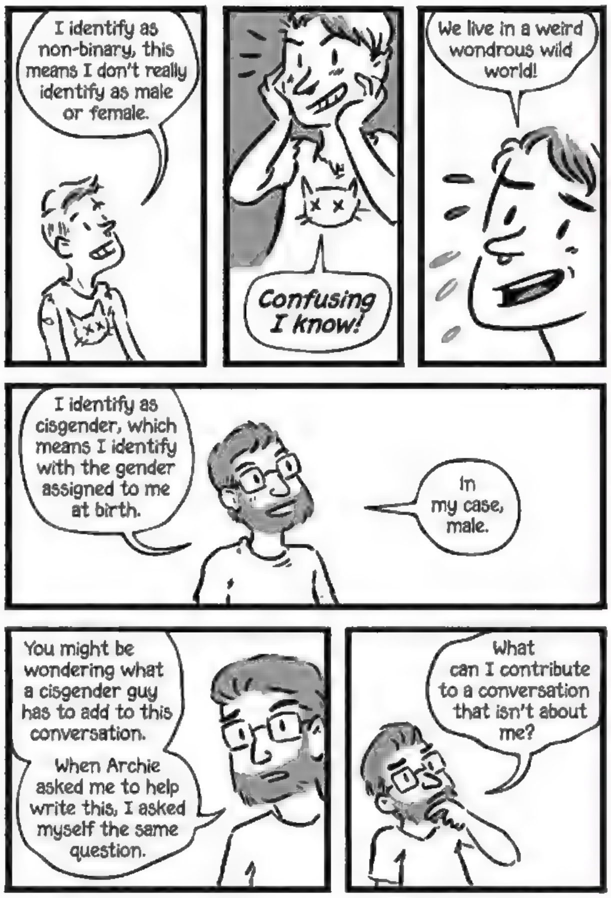
BROAD AUDIENCE

Written to be approachable to anyone, this book can be used in schools or the workplace, as well as a personal resource.

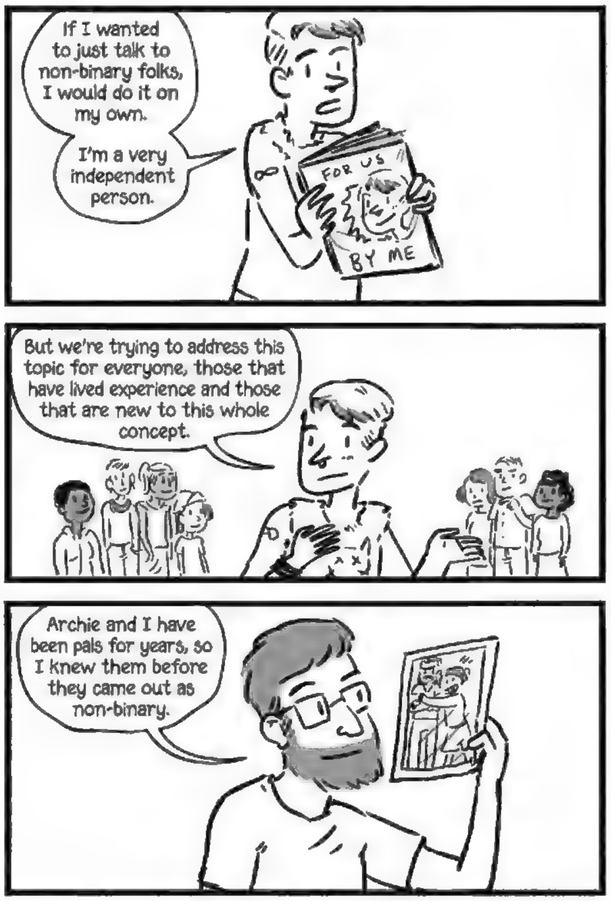


This book exists to educate and inform people on gender neutral pronouns--specifically they/them*--so that you don't have to do all the heavy lifting yourself.
THEY/THEM
We want to keep this book short and affordable, so you can give it to friends, family, co-workers, or random people on the street.
?
THEY THEM
Also, if education fails and folks are being jerks, you can also throw this book in their face.
THEY THEM
OW!
It's 2018, we don't have time for that nonsense.

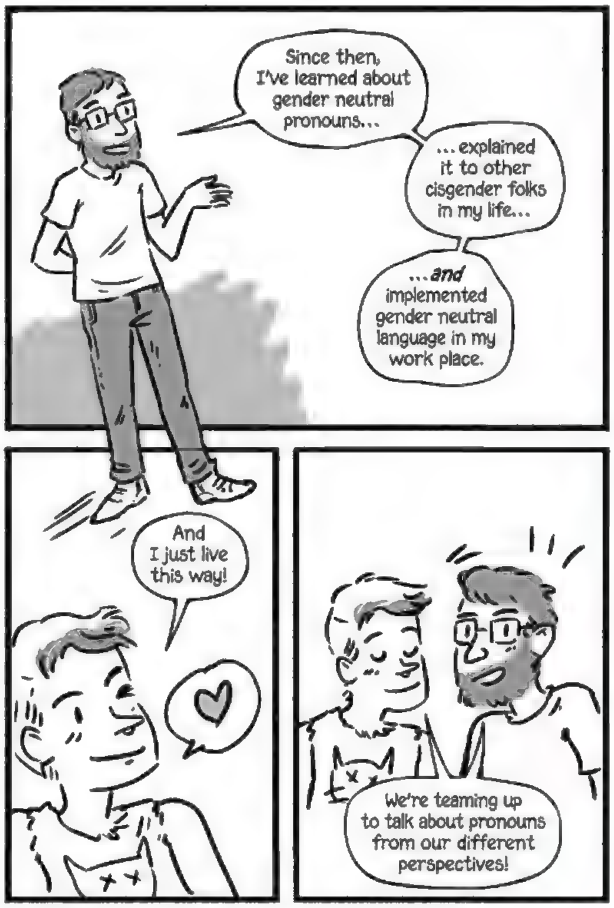
*There are actually a lot of gender neutral pronouns that we don't cover in this book, such as ze/hir. Much of the information we discuss can be applied to any gender neutral pronoun.



I identify as non-binary, this means I don't really identify as male or female.
Confusing I know!
We live in a weird wondrous wild world!
I identify as cisgender, which means I identify with the gender assigned to me at birth.
In my case, male.
You might be wondering what a cisgender guy has to add to this conversation.
When Archie asked me to help write this, I asked myself the same question.
What can I contribute to a conversation that isn't about me?



If I wanted to just talk to non-binary folks, I would do it on my own.
I'm a very independent person.
FOR US BY ME
But we're trying to address this topic for everyone, those that have lived experience and those that are new to this whole concept.
Archie and I have been pals for years, so I knew them before they came out as non-binary.



Since then, I've learned about gender neutral pronouns...
...explained it to other cisgender folks in my life...
...*and* implemented gender neutral language in my work place.
And I just live this way!
We're teaming up to talk about pronouns from our different perspectives!

ARCHER COE VOL. 2: THE WAY TO DUSTY DEATH

JAMIE S. RICH (W) **DAN CHRISTENSEN** (A/CA)

136 Pages, Softcover, 6" x 9", $19.99

Release Date: 06/27/18 – **TEEN**

Archer Coe, master hypnotist, is back to performing by day and consulting for the rich and influential by night. Most of his cases are mundane—save his most recent, which ended in quite a few deaths—and that's what Archer expects from his newest client, heiress Nicolette Hardy. Her mother's untimely death has sent her father into a deep depression, and a self-proclaimed mystic, Jane Collins, has taken advantage of his grief by promising him an audience with his dead wife.

Archer knows Jane, and he believes she's a fraud. But he has trouble convincing Nicolette's father, and as strange happenings unfold around him, Archer soon has trouble convincing himself. It's clear Jane holds some power—but it's also clear that Jane has no idea how much. Will Archer save Jane and the Hardys before her power becomes uncontrollable? Or will this case be his final curtain?

"Absolutely terrific."

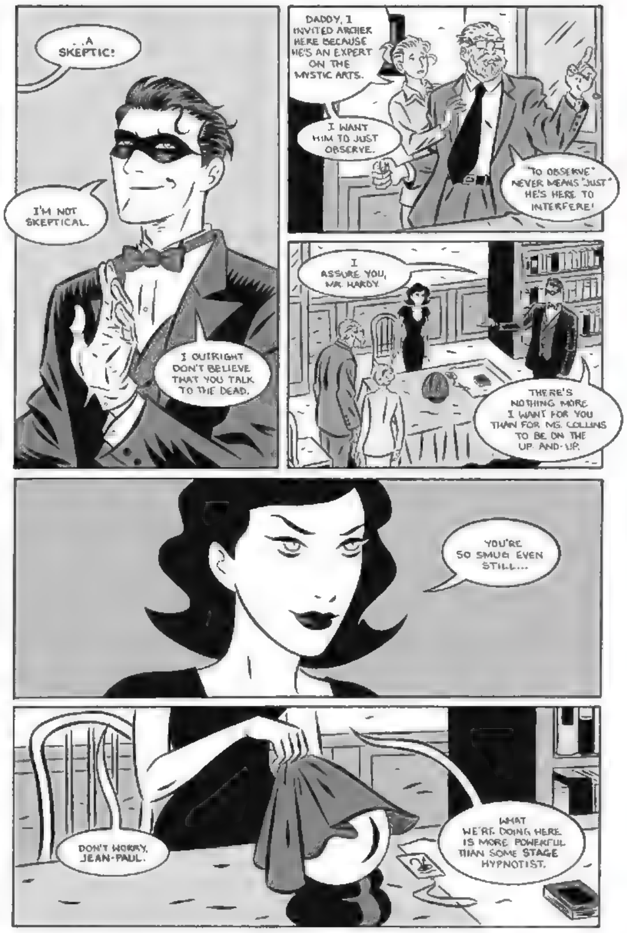
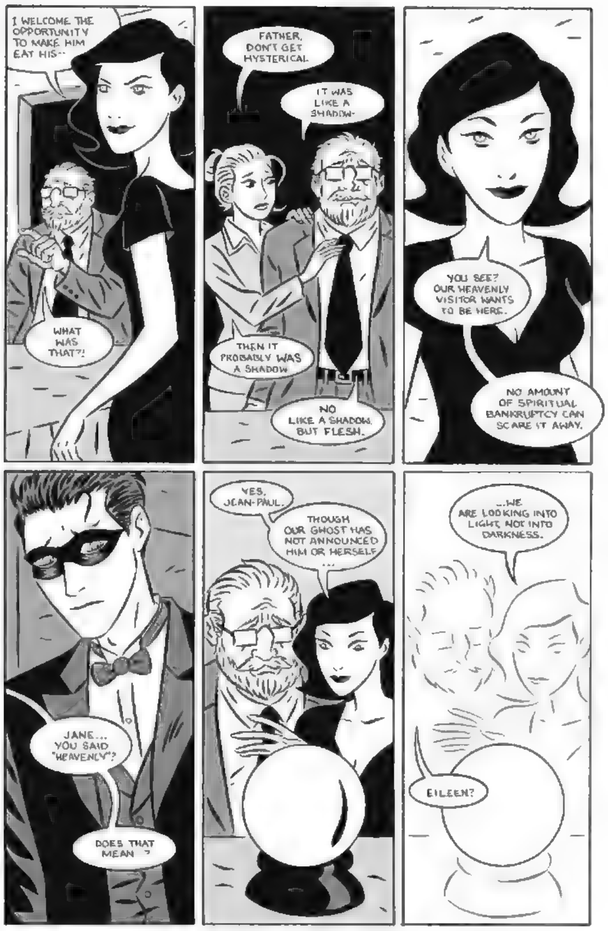
DAMN YOU, ARCHER COE!
WHY ARE YOU HERE? YOU RUINED EVERYTHING
I ASKED HIM TO COME. HE'S MY GUEST.
TURNS OUT, I DIDN'T NEED YOUR INVITATION AFTER ALL, JANE.
WHAT IS THE MEANING OF THIS, NICOLETTE?
WHO IS THIS MAN AND WHY IS HE INTERRUPTING?
I'LL TELL YOU WHO HE IS.
HE'S A GLORY HOUND, A BRAGGART, AND WORST OF ALL .



...A SKEPTIC!
I'M NOT SKEPTICAL.
I OUTRIGHT DON'T BELIEVE THAT YOU TALK TO THE DEAD.
DADDY, I INVITED ARCHER HERE BECAUSE HE'S AN EXPERT ON THE MYSTIC ARTS.
I WANT HIM TO JUST OBSERVE.
"TO OBSERVE" NEVER MEANS "JUST" HE'S HERE TO INTERFERE!
I ASSURE YOU, MR. HARDY.
THERE'S NOTHING MORE I WANT FOR YOU THAN FOR MS. COLLINS TO BE ON THE UP-AND-UP.
YOU'RE SO SMUG EVEN STILL...
DON'T WORRY, JEAN-PAUL.
WHAT WE'RE DOING HERE IS MORE POWERFUL THAN SOME STAGE HYPNOTIST.



I WELCOME THE OPPORTUNITY TO MAKE HIM EAT HIS--
WHAT WAS THAT?!

Courtney Crumrin's magical education has begun in full under the tutelage of Calpurnia Crisp. But Courtney isn't her only pupil, and she quickly realizes her classmates don't know nearly as much about the dangers of magic as she does. When they turn the youngest student into a night creature, Courtney reluctantly agrees to help—and immediately regrets it when the students storm the Twilight Kingdom with disastrous results. But Courtney's got bigger problems to deal with: a man named Templeton, who suspects Courtney's involvement in the death of a certain warlock.

Can Courtney save a bunch of arrogant kids while evading the lawkeeper? Maybe if they were in the human world. But as Courtney knows, the Twilight Kingdom is as unpredictable as it is dangerous—and it can quickly turn deadly.

A BUNCH OF JEWS AND OTHER STUFF SC

(W) Trina Robbins, Max B. Perlson
(A) Various
First published as a book in Yiddish in 1938, *A Bunch of Jews* is a collection of stories by Max B. Perlson, focused on a small shtetl called Duboy in Belarus, and Brooklyn, New York, in the early 20th century. This adaptation is by the author's daughter, Trina Robbins, and a collection of fine artists. Featuring stories of arrogant schoolteachers, boastful travelers, stingy merchants, adoring pets, and all the disasters and triumphs that can happen to families and tight-knit communities, this comic is a loving tribute to Jewish culture before the coming of the war that would change things forever. FASHION IN ACTION

(W/A) Various
The 2080s haven't changed much from the 1980s, except for the jetpacks, Mars colonization, and rocket-fueled cars. Celebrities still need protection from crazed fans, and that's what Frances Knight and her squad Fashion In Action provide with bravado and style, all while facing up against the evil machinations of Dr. Cruel and his sidekick, the violently unpredictable superfan Roxanne. This classic 1980s independent comic series has been painstakingly restored by creator/artist John K. Snyder III, and includes a foreword by John Ostrander, new essays by comic book legends Trina Robbins and Martha Thomases, and an all-star pinup gallery by artists Kevin Wada, Jen Bartel, Rahzzah, Sara Richard, and Gisèle Lagacé. Seventeen years have passed since the Fleet of Fog — a mysterious, unmanned fleet of powerful vessels that appeared out of nowhere — took control of the oceans. A weapon powerful enough to damage the Fog's vessels has finally been invented, and there's just one way of getting the critical information and prototypes from Japan to America. The submarine I-401, with its humanoid avatar — a "mental model" named Iona, who's taken the shape of a young girl — was once part of the Fleet of Fog, but has chosen to side with humanity. Captained by Chihaya Gunzo and his crew, the I-401 is the only ship under human control that can move freely through the seas. But she answers only to her captain, and he answers to no one. ARIFURETA: FROM COMMONPLACE TO WORLD'S STRONGEST VOLUME 2 GN (LIGHT NOVEL)

(W) Ryo Shirakome (A/CA) Takaya-ki

Seventeen-year-old Hajime Nagumo is your average, everyday otaku. However, his simple life of pulling all-nighters and sleeping in school is suddenly turned upside down when he, along with the rest of his class, is summoned to a fantasy world! They're treated like heroes and tasked with the duty of saving the human race from utter extinction. But what should have been any otaku's paradise quickly turns into Hajime's nightmare. While the rest of his class are blessed with godlike powers, Hajime's job, Synergist, only has a single transmutation skill. Ridiculed and bullied by his classmates for being weak, he soon finds himself in despair. Will he be able to survive in this dangerous world of monsters and demons with only a glorified blacksmith's level of strength? (STL075828) (C: 0-1-0)

GRIMGAR OF FANTASY AND ASH VOLUME 6 SC (LIGHT NOVEL)

(W) Ao Jyumonji (A/CA) Eiri Shirai

Haruhiro awakens to darkness and amnesia, among a group of strangers who can only remember their own names... and nothing else. When they make it into the light, they discover Grimgar, a fantasy world that's like something out of an RPG game. Without apparent skills or knowledge of their surroundings, Haruhiro and his newfound friends band together to form an adventuring party. Only by co-operating, using their wits, and learning new skills can they hope to survive in this dangerous land of monsters and magic. (STL075831) (C: 0-1-0)

TORADORA! VOLUME 1 SC (LIGHT NOVEL)

(W) Yuyuko Takemiya (A/CA) Yasu

Takasu Ryuuji has learned the hard way that appearances can be deceiving. For despite his inwardly sweet personality, his unintentionally sharp gaze and aggressive features give him the air of a delinquent thug, putting his chances at making new friends, let alone a girlfriend, next to zero. It's Ryuuji's first day of his second year of high school, and it seems as if things are looking up. But just when he thinks the stars are aligned in his favor, he unwittingly crosses the most feared girl in school, Aisaka Taiga, making her into his arch enemy. To top it off, Taiga has moved in right next door to Ryuuji and happens to be his secret crush Minori's best friend! Can this school year possibly get any worse? (STL075857) (C: 0-1-0)

YUUNA AND THE HAUNTED HOT SPRINGS VOLUME 2 GN

(W/A/CA) Tadahiro Miura

Homeless and haunted by ghosts, high schooler Kogarashi thinks his luck has finally turned when he finds Yuragi-sou-a cheap boarding house that was formerly a hot springs inn, now full of super-sexy, scantily-clad female tenants. If Kogarashi can use his spirit abilities to banish the ghost that haunts the inn, he can even live there rent-free! But when the ghost, a beautiful teenage girl named Yuuna, appears before him, Kogarashi takes pity on her and is suddenly not so sure about the exorcism. Will he help save Yuuna from becoming an evil spirit? And what supernatural secrets do the other boarders hold? (STL071100) (C: 0-1-0)

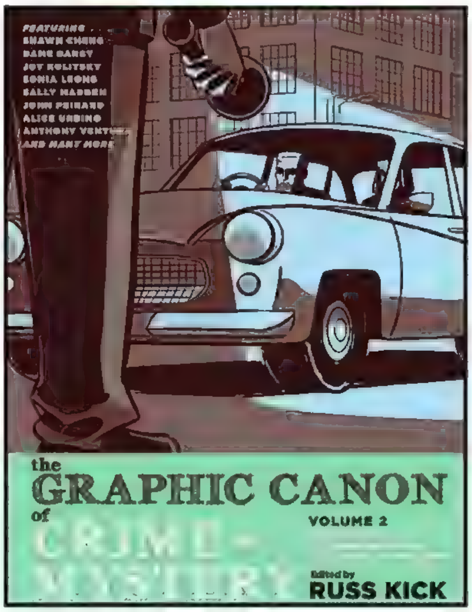
SEVEN STORIES PRESS



THE GRAPHIC CANON OF CRIME & MYSTERY VOLUME 2 TP

The latest volume in Russ Kick's series retells classic crime fiction in full-color visual comix splendor. Here are Teddy Goldenberg's dense, murky treatment of Dashiell Hammett's "The Road Home," often considered the first hardboiled detective story ever published. Shawn Cheng renders the first serial-killer story, the so-called fairy tale "Bluebeard" by Charles Perrault. Landis Blair reimagines The Trial as a choose-your-own-adventure story that you cannot win, and Ted Rall retells an O. Henry story about a petty criminal who just can't get arrested. Plus 28 other contributors using a wide range of illustrative styles. (STL076312) (C: 1-1-0) **NOTE:** Not available in England & Ireland

ABANDONED CARGO

SALVAGERS VOLUME 1: ABANDONED CARGO TP

After the end of the Galactic War, peace blanketed the galaxy; however, planets with little shipping resources turned to piracy or developed small guerilla military units geared to pillage trade ships. This spawned the necessity for trade companies to hire private security contractors for protection. Even under the security of peacetime, there is no shortage of violence in outer space; from looting raiders, Navy destroyers neutralizing a rebel movement to the simplest space station falling victim to a rogue asteroid. These destroyed or abandoned ships and stations are classified as "WRECKS." Licensed crews are commissioned by governments, empires and corporations to remove these lifeless hulks. In a hostile galaxy, the risk and reward is high for these crews. (STL077380)

THE STUFF OF LEGEND: A CALL TO ARMS #3

(W) Mike Raicht, Brian Smith
(A/CA) Charles Paul Wilson

Continuing the saga of the *New York Times* Bestselling Graphic Novel, written by Mike Raicht & Brian Smith and illustrated by Charles Paul Wilson III! The Boogeyman has resurrected his massive army and is preparing for a final battle for the boy's soul. The question is, who of the boy's toys could possibly be strong enough to stand up to him? Scattered across the dark, healing from past battles, uncertain of where to turn, the boy's loyal toys look to have little hope. Could these lost toys be defeated before the inevitable war has even truly begun? Loyalties are questioned, soldiers are lost, and dark secrets revealed (STL076224)

ABOUT THE CREATOR

Ban Zarbo

TOKYOPOP's publication of *KAMO* was released in Germany last year, and is based on *Ka-Mo* which Ban had previously self-published in 2014. Ban Zarbo's supernatural manga debut is largely inspired by Caribbean mythology.

Ban Zarbo's mother first introduced her to anime and manga as a young girl, and even then, she aspired to one day become a manga creator. At just 24 years of age, the Swiss native with Dominican and Italian roots has already reached her goal, building a following of devoted fans through social media. Already a hit in Germany, now her manga is being published in English for the first time!

RIDING SHOTGUN

Story by NATHANIEL BOWDEN *Art by TRACY YARDLEY*

Doyle and Abby are sloppy assassins, but they get the job done. However, that's not good enough for an assassins guild that is getting more pressure from the public to keep assassinations clean, and to revoke the licenses of those who can't. This just means that Doyle and Abby have to take on a big hit to pay the fines. But when the hit ends up being one of Doyle's ex-girlfriends, Abby gets jealous.

BLACK HISTORY MONTH

In the early 1940s, Matt Baker became of one the earliest African-American comic book artists. But it wasn't the color of his skin which made him such a significant figure in the history of the medium. Imagine Dave Stevens or Adam Hughes working in the '40s, drawing a new story every month, and you'll have a good idea of Matt Baker's place in the industry throughout his career. Yet few of today's comic book fans know of the artist or his work, because he died in 1959 at the young age of 38, just as the Silver Age of Comics was bringing in a new generation of readers. (*ACTION COMICS*)

Baron Samedi calls!

Jack Boniface has only just returned home to New Orleans...but the Deadside won't let him stay gone! From across the veil of life and death, the malignant presence of Baron Samedi - a ravenous voodoo deity bent on consolidating power at all costs - now seeks to infiltrate the mortal plane and claim the legacy of Shadowman for himself! But even as Jack and Alyssa marshal a defense to Samedi's inhuman agenda, a monstrous new force - driven by killer instinct and a rabid hatred of the Shadowman - is about to turn the Big Easy's back alleys into a hunting ground...

"FEAR OF THE DARK" stalks forward as superstar writer Andy Diggle (*Green Arrow: Year One*) and incendiary artist Stephen Segovia (NINJAK) bring a hard-hitting reckoning of magic and might to Valiant's must-read new series launch of 2018!

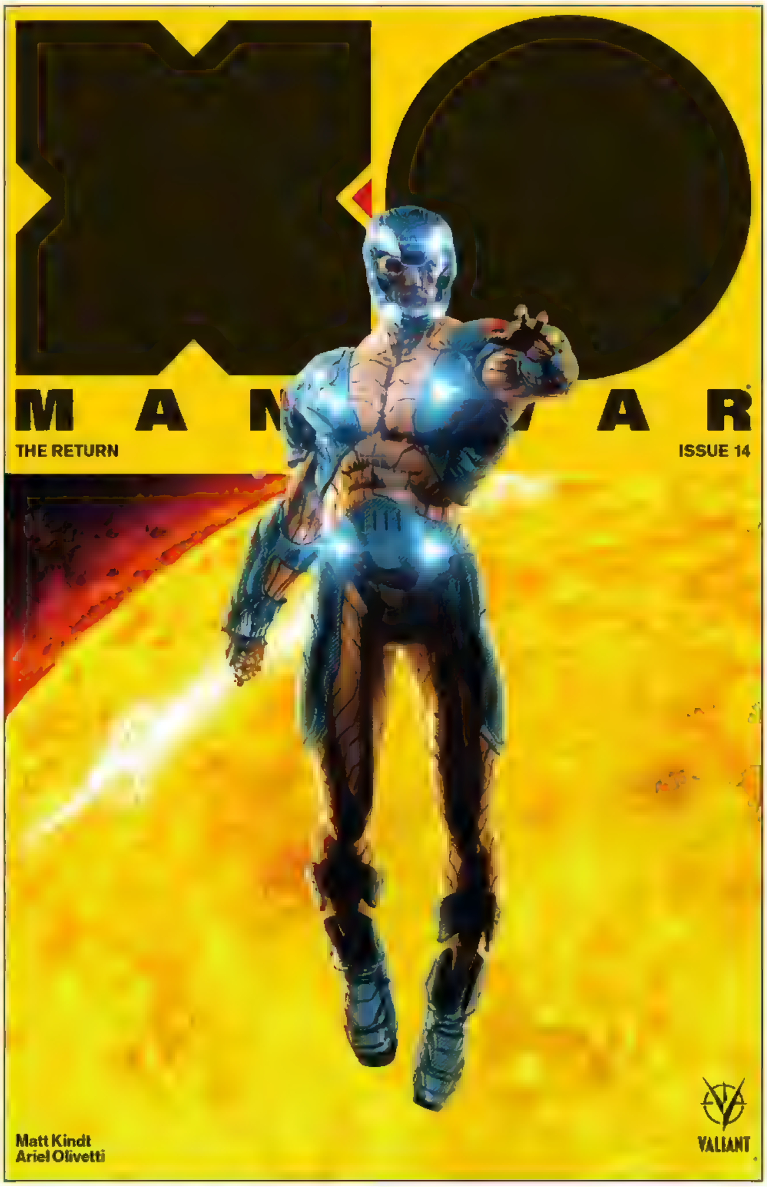
MATT KINDT

(*DIVINITY*, *MIND MGMT*)

AND ASTONISHING ARTIST

ARIEL OLIVETTI

(*INCREDIBLE HULK*)



THE MOMENT MORE THAN A YEAR IN THE MAKING! AT LAST – X-O MANOWAR RETURNS TO EARTH!

After a brutal year spent waging war on the far side of the galaxy, Aric of Dacia must now face the one thing he yearned to leave behind: planet Earth. But as the man called X-O Manowar prepares for a world-shaking homecoming, he must come to terms with a savage awakening inside himself…and the obligations that still await him on our world. Just as the forces of HARBINGER WARS 2 – Valiant's seismic 2018 crossover event – begin to vie for Aric's loyalties, a long-awaited reunion might just shatter everything we've come to believe about the fallen warrior-king in control of the universe's most powerful weapon…

The comics odyssey of a lifetime comes full circle as New York Times best-selling writer Matt Kindt (ETERNITY) and acclaimed artist Ariel Olivetti (*Incredible Hulk*) begin the countdown to HARBINGER WARS 2 with an inescapable turning point for the Valiant Universe's unrelenting man of war!

A once-loyal agent has defected from the ranks of MI-6's most elite espionage unit...and Ninjak has been dispatched across the globe to prevent his secrets from plunging the world into chaos. But in the shadows of Mexico City, Colin King is about to discover something far more deadly... The Ninja Programme's own former sensei, the Jonin, has assembled a conspiratorial circle of enigmatic enemies - the Dying One, Kostiy the Deathless, Linton March, and The United's Ultimo - for a purpose so sinister that even Ninjak can't risk engaging them alone. Enter Livewire, Punk Mambo, Dr. Mirage, and GIN-GR - Ninjak's brand-new black ops team with a very specific set of skills...and a license to kill the unkillable!

Acclaimed writer Christos Gage (Netflix's *Daredevil*) and high-octane artist Juan José Ryp (BRITANNIA) take the driver's seat for a heart-stopping race to save the world as "THE COALITION" prepares for the ultimate clash of super-teams!

Three's company!

After three decades and 10,000 miles, the moment of truth has finally arrived: Our heroes are about to come face-to-face with Woody's long-lost father! In Australia! Will Woody abandon his adoptive brother and trusted partner-in-crime-fighting to embrace a hard-partying scoundrel with no sense of decency? Or...is the world's worst superhero team about to become a terrible trio?

Plus: Back in America, DC's super-science crime cabal is about to get an energizing new addition!

It's going to be a real "Martha" moment when Daniel Kibblesmith (*The Late Show with Stephen Colbert*) and dazzling artist extraordinaire Kano (*Immortal Iron Fist*) tear one family apart, only to bring another one together as "KISS KISS, KLANG KLANG" heads to a death-defying finish!

#8 BLOODSHOT SALVATION

Can Bloodshot rewrite "THE BOOK OF THE DEAD" to save his daughter from the darkness?

In the realm of the dead, three travelers now seek salvation. Bloodshot - a man re-made as a weapon. Bloodhound - an innocent creature imbued with formidable power. And Baby Jessie - Bloodshot's infant daughter, newly transformed in his own terrible image. Together, these three have all been damned by fate - an injustice they now seek to undo by striking a demonic pact to save Jessie's life. But in the underworld known as the Deadside, there are few fair deals and even fewer promises fulfilled... With his weapons laid down, can Bloodshot tip the scales of life and death to save the one precious light his existence has ever offered?

NINJA-K VOL. 1: THE NINJA FILES TPB

For nearly a century, MI-6, the most elite branch of Britain's clandestine intelligence service, has honed a ruthlessly effective, top-secret division – THE NINJA PROGRAMME – into one of its nation's most finely wielded weapons. Tasked as the first and last line of defense for queen and country, this small shadow army of agents and assassins has produced a succession of notable assets, including NINJA-A, the Queen's silent weapon of World War I; NINJA-E, the globe-trotting secret agent that pulled the Cold War back from the brink of Armageddon; and, most recently, NINJA-K, aka Colin King, a brash but fearless instrument of lethality that has saved the world from madmen and terror at every turn. But now... an unknown enemy is hunting and killing members of THE NINJA PROGRAMME one by one – and NINJAK is next on the list.

A new can't-miss ongoing series from renowned writer Christos Gage (Netflix's Daredevil) and Valiant's latest superstar artist, Tomás Giorello (X-O MANOWAR), presenting a stunningly precise jumping-on point revealing the classified history of the black-budget spy network that trained Colin King and his predecessors...and leading Ninjak on a manhunt through a cold, calculating world of espionage and international intrigue in search of a killer targeting all ninja agents – past and present!

WRATH OF THE ETERNAL WARRIOR DELUXE EDITION HC

New York Times best-selling writer Robert Venditti (*Hal Jordan & The Green Lantern Corps*) joins the Harvey Award-nominated team of Raúl Allén & Patricia Martín (SECRET WEAPONS), and a cast of Valiant all-stars including Robert Gill (X-O MANOWAR), and Juan José Ryp (BRITANNIA) for the deluxe, oversized hardcover of the multiple Harvey Award-nominated series IGN calls "a stunning vortex of blood and steel."

For five millennia, the Eternal Warrior has shaped history at the end of his sword. He's razed empires, toppled civilizations, and broken armies as an immortal soldier in service to the Earth. But now, the Eternal Warrior has been torn from the world he once protected and finds himself stranded in a hostile alien landscape unlike any he's faced before. Separated from his earthly environs, can history's deadliest soldier survive a realm far older, far deadlier, and far more ruinous than anything he's ever encountered? Beyond Earth lies eternity...

HOMESTUCK
BY ANDREW HUSSIE
BOOK 1: ACTS 1 & 2 ==>

Years in the past, but not many, a webcomic launched that would captivate legions of devoted fans around the world and take them on a mind-bending, genre-defying epic journey that would forever change the way they look at stairs. And buckets. And possibly horses. Now this sprawling saga has been immortalized on dead trees with notes from author Andrew Hussie explaining what the hell he was thinking as he brought this monster to life. A must-have for *Homestuck* fans who want to re-experience the saga or for new readers looking for a gateway to enter this rich universe.

DEAD DEAD DEMON'S DEDEDEDE DESTRUCTION

Three years ago the aliens invaded Tokyo. Nothing was ever the same again. But after a while, even impending doom starts to feel ordinary.

The Japanese Self Defense Forces are still looking for a way to combat the looming alien threat three years after the invasion, but so far conventional weapons have no effect on the mothership. Maybe it's time to try something *unconventional*. Meanwhile, Kadode Koyama is in high school. She and her best friend avidly track the aliens' movements on social media and less enthusiastically study for college entrance exams. When the end of the world is overhead, you learn to take it one step at a time.

BLACK HISTORY MONTH

Recently featured in *The Washington Post*, *Malika: Warrior Queen* follows the exploits of queen and military commander Malika, who struggles to keep the peace in her ever-expanding empire. Set in 15th-century Africa, this is historical fantasy like you've never seen it before. Growing up as a prodigy, Malika inherited the crown from her father in the most unusual of circumstances, by splitting the kingdom of Azzaz in half. After years of civil war, Malika was able to unite all of Azzaz, expanding it into one of the largest empires in all of West Africa. But expansion would not come without its costs. Enemies begin to rise within her council, and Azzaz grabbed the attention of one of the most feared superpowers the world has ever known: the Ming Dynasty. It's African history mixed with action, drama, politics, betrayal, romance, and dragons! (STL049093)

> "We have finally come full circle within the Grimm Fairy Tales series and it appears it was truly worth the wait." —The Fandom Post

Fairy tales tell stories of trolls lurking beneath bridges, ready to take unsuspecting travelers to their doom. On a visit to New York, Skye learns the true story of trolls... an army of them lurk beneath the city, filled with hate and fear of humans. They've remained hidden for centuries. But now they've found a leader, and they don't plan on staying hidden underground any longer. As they prepare their assault, only Skye and Samantha stand between them and the people of New York.

ALPHOSE MUCHA HC

(W) Tomoko Sato (A/CA) Alphonse Mucha

Alphonse Mucha was an extraordinarily prolific and versatile artist who made his mark in the diverse fields of design — including posters, jewelery, interior decoration, theater, and packaging and product designs — as well as in painting, book illustration, sculpture, and photography. He is one of the best-known Czech artists to wide international audiences today and rose to fame in fin-de-siècle Paris with his elegant designs for theater posters for Sarah Bernhardt, the most famous French actress of the time. The catalog explores the development of Mucha's career and overall achievements as a multifaceted and visionary artist. BRIAN KESINGER'S INKED TAILS HC

(W/A/CA) Brian Kesinger

Brian Kesinger's lovely, hand-drawn mermaid illustrations wash away misconceptions about undersea sirens while providing fresh insights into aquatic lore. Nuanced depictions of a diverse cross-section of these seldom-seen beings provide a revealing glimpse into their true-life realms. The artist's elegant pen and wash renderings on pulpy paper are collected here in a faithful facsimile of his personal sketchbook that can be handed down from generation to generation, preserving this historically significant chronicle of contemporary citizens of our planet's seas. Lenticular cover art. (STL076441) (C: 0-1-0)

BRIAN KESINGER'S PENNED DRAGONS HC

(W/A/CA) Brian Kesinger

Brian Kesinger's charming collection of pen-and-ink dragon portraits obliterates winged-serpent stereotypes with its fun and fantastic portrayal of these magnificent creatures at their informal best. There are no cookie-cutter fantasy clichés to be found here, just candid studies of dozens of the world's most wonderful drakes with their individual personalities on display. The toned-paper sketchbook format of this handsome volume presents expertly drafted monochromatic drawings of the dragons along with their names and descriptions of their unique qualities. Characters like Fynlar the Daring, Gorüng the Skittish, and So'kee the Vegetarian will delight readers of all ages. Lenticular cover art. (STL076426) (C: 0-1-0)

TERRY PRATCHETT'S DISCWORLD IMAGINARIUM HC

(W/A/CA) Paul Kidby

Paul Kidby, Sir Terry Pratchett's artist of choice, provided the illustrations for *The Last Hero*, designed the covers for the Discworld novels since 2002 and is the author of the bestseller *The Art of Discworld*. Now, Paul Kidby has collected the very best of his Discworld illustrations in this definitive volume, including 40 pieces never before seen, 30 pieces that have only appeared in foreign editions, limited editions and BCA editions, and 17 book cover illustrations since 2004 that have never been seen without cover text. If Terry Pratchett's pen gave his characters life, Paul Kidby's brush allowed them to live it, and nowhere is that better illustrated than in this magnificent book. (STL076721) (C: 1-1-0)

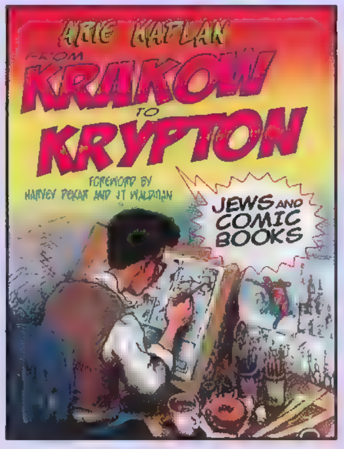
FROM KRAKOW TO KRYPTON: JEWS AND COMIC BOOKS SC (NEW PRINTING)

(W) Arie Kaplan (A) Various



Jews created the first comic book, the first graphic novel, the first comic book convention, the first comic book specialty store, and they helped create the underground comics (or "Comix") movement of the late '60s and early '70s. Many of the creators of the most famous comic books, such as *Superman*, *Spider-Man*, *X-Men*, and *Batman*, as well as the founders of *MAD* magazine, were Jewish. From *Krakow to Krypton: Jews and Comic Books* tells their stories and demonstrates how they brought a uniquely Jewish perspective to their work and to the comics industry as a whole. Over-sized and in full color, From Krakow to Krypton is filled with sidebars, cartoon bubbles, comic book graphics, original design sketches, and photographs. (STL077085)

MEN OF TOMORROW: GEEKS, GANGSTERS, AND THE BIRTH OF THE COMIC BOOK SC

(W) Gerard Jones

Animated by the stories of some of the last century's most charismatic and conniving artists, writers, and businessmen, *Men of Tomorrow* brilliantly demonstrates how the creators of the superheroes gained their cultural power and established a crucial place in the modern imagination. The story begins early in the last century, on the Lower East Side, where Harry Donenfeld rises from the streets to become the king of the "smooshes" — soft-core magazines. Later, two high school friends in Cleveland, Joe Shuster and Jerry Siegel, become avid fans of "scientifiction," the new kind of literature promoted by their favorite pulp magazines. The disparate worlds of the wise guy and the geeks collide in 1938, and the result is *Action Comics* #1, the debut of Superman. For more than 50 years, Marvel and DC have been locked in an epic war, tirelessly trading punches and trying to do to each other what Batman regularly does to the Joker's face. *Slugfest*, the first book to tell the history of this epic rivalry in a single narrative, is the story of the greatest corporate rivalry never told. Complete with interviews with the major names in the industry, *Slugfest* reveals the arsenal of schemes the two companies have employed in their attempts to outmaneuver the competition, whether it be stealing ideas, poaching employees, planting spies, ripping off characters or launching price wars. Sometimes the feud has been vicious, at other times, more cordial. But it has never completely disappeared, and it simmers to this very day. (STL058603) (C: 0-1-0)

(W) Paul Levitz (A) DC Comics
In 1935, DC Comics founder Major Malcolm Wheeler-Nicholson published *New Fun* #1, the first comic book with all-new, all-original comic material. What began as disposable media for children was soon on its way to becoming the mythology of our time. More than 40,000 comic books later, TASCHEN has produced the single most comprehensive book on DC Comics. The 2010 original XL edition of *75 Years of DC Comics* was winner of the 2011 Eisner Comic Industry Award for Best Comics-Related Book of the Year! But as even Superman might have trouble lifting the XL, here is the chance to enjoy the title in a smaller format. (STL035821)

WILL EISNER: CHAMPION OF THE GRAPHIC NOVEL HC

(W) Paul Levitz & Various
Will Eisner (1917-2005) is universally considered the master of comics storytelling, and is best known for his iconic comic strip *The Spirit* and for his seminal work *A Contract With God*. Since then, Eisner went on to write and illustrate over twenty award-winning graphic novels. *Will Eisner: Champion of the Graphic Novel* by noted historian Paul Levitz celebrates Eisner by including not only unpublished and rare art, photographs, letters, and sketches from the archives, but original interviews with creators such as Jules Feiffer, Art Spiegelman, Scott McCloud, Jeff Smith, and Neil Gaiman, all of whom knew and were inspired by Eisner. BILL THE BOY WONDER: THE SECRET CO-CREATOR OF BATMAN HC

(W) Marc Tyler Nobleman
(A/CA) Ty Templeton
Every Batman story is marked with the words "Batman created by Bob Kane." But that isn't the whole truth. A struggling writer named Bill Finger was involved from the beginning. Bill helped invent Batman, from concept to costume to character. He dreamed up Batman's haunting origins and his colorful nemeses. Despite his brilliance, Bill worked in obscurity. It was only after his death that fans went to bat for Bill, calling for acknowledgment that he was the co-creator of Batman. Based on original research, *Bill the Boy Wonder* is the first-ever book about the unsung man behind the Dark Knight. (STK466715)

Boys of Steel
The Creators of Superman

BOYS OF STEEL: THE CREATORS OF SUPERMAN YR SC

(W) Marc Tyler Nobleman
(A/CA) Ross MacDonald
Jerry Siegel and Joe Shuster, two high school misfits in Depression-era Cleveland, were more like Clark Kent — meek, mild, and myopic — than his secret identity, Superman. In 1934, they created a superhero who was everything they were not. It was four more years before they convinced a publisher to take a chance on their Man of Steel in a new format — the comic book. The author includes a provocative afterword about the long struggle Jerry and Joe had with DC Comics when the boys realized they had made a mistake in selling all rights to Superman for a mere $130. TRAVELS WITH WALT: A PHOTOGRAPHIC VOYAGE AROUND THE WORLD HC

(W) Jeff Kurtti
From his earliest years, Walt Disney aimed to expand his boundaries: physical, creative, and intellectual. Throughout his life, Walt was a frequent and enthusiastic "tourist," visiting destinations around the United States of America and across the globe. Whether attending a premiere, supervising a film production, or simply vacationing with his family, the "All-American" Walt became a citizen of the world. In *Travels with Walt Disney: A Photographic Voyage Around the World*, seldom-seen and never-before-published photographs are showcased along with eyewitness recollections and enlightening anecdotes, arranged into a one-of-a-kind "travel journal." DOCTOR WHO: THE PIRATE PLANET SC

(W) James Goss, Douglas Adams

The hugely powerful Key to Time has been split into six segments, all of which have been disguised and hidden throughout time and space. The Doctor, Romana and K-9 trace the second segment of the Key to the planet Calufrax. But when they arrive at exactly the right point in space, they find themselves on exactly the wrong planet – Zanak. Ruled by the mysterious "Captain," Zanak is a happy and prosperous planet. Mostly. If the mines run out of valuable minerals and gems then the Captain merely announces a New Golden Age and they fill up again. It's an economic miracle, so obviously something's very wrong. PRISONER 155 GN

(W) Agustin Comotto (A/CA) Stuart Christie
A legendary life: Ukranian expat, assassin, prisoner, and Spanish Revolution veteran, who died a factory worker in Mexico City. A beautifully illustrated graphic novel that tells the story of Simón Radowitzky (1891-1956), a gentle soul caught up in a cruel world. Radowitzky appears in a few books, but this is the first English-language book devoted solely to him. His tumultuous life begins with his immigration from Ukraine to Argentina, followed by his assassination of Colonel Falcon (who presided over the slaughter of 100 workers) in 1909. Banished to a penal colony, he escaped, was recaptured and tortured, serving a total of twenty years. Stuart Christie, author of *Granny Made Me an Anarchist*, pens the introduction. TERRY MOORE: STRANGERS IN PARADISE GALLERY EDITION

Terry Moore's work as a creator, writer, artist (and letterer), are on display for all to see in the new *Terry Moore: Strangers In Paradise Gallery Edition.* Celebrate the 25th Anniversary of SIP with this presentation of of Moore's art from over the years. The evolution of Terry Moore together with Francine, Katchoo, David and all of the other characters that inhabit the SIP world, are all captured in this 248-page, large-format, hardcover edition. The artwork contained in this Smythe-sewn deluxe edition is framed by an unpublished, 20-page version of the very first SIP story together and SIP #90—the series 2007 finale. Included between these "bookends" is a representational page from each of the 105 issues published between issues #1 and #90. Also included is an extensive Gallery section containing covers and miscellaneous art SIP pieces by Terry from throughout the last 25 years.

Sourced from high-resolution scans from the original art and reproduced at the actual size, this 12" x 17" deluxe volume is printed at 200 line-screen on heavy paper stock to approximate the look and feel of the original art itself.

Please note that the production quantity on this edition will be based on the orders received, and will be limited. We suggest you order what you anticipate what you can sell. Once sold out, the book will not be reprinted.

ALIENS: FACEHUGGER LIFE-SIZE PROP REPLICA

Hollywood Collectibles is proud to present their officially licensed life-size replica of the Facehugger from *Aliens!* The Facehugger represents the second stage in the life cycle of a Xenomorph. Its long tail allows it to rapidly launch itself long distances, and its finger-like legs allow it to run quickly and attach itself to the host. Standing an impressive 28" tall, the Facehugger is captured just as it is about to strike its hapless victim, bony "fingers" outstretched and tube like proboscis extended ready for insertion! This stunning life-size replica will make an outstanding addition to any *Aliens* collection. (STL076000) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in April 2018. (7740/9366) (C: 0-1-2)

STAR WARS COLLECTOR'S GALLERY: ZUCKUSS 9-INCH STATUE

Zuckuss is the Gand bounty hunter that teamed up with 4-LOM to hunt Han Solo and collect the bounty for the Empire as well as Jabba the Hutt. The artists at Gentle Giant reveal to you the moments just following the events of the death of Jabba — Zuckuss on Tatooine, at his feet, a chain left by Jabba's escaped prize, still on the hunt. Where Zuckuss goes, can 4-LOM be far behind? Zuckuss is the fourth statue in Gentle Giant's 1/9-scale Collector's Gallery line, celebrating 40 years of the *Star Wars* universe. Each limited edition, hand-painted piece is cast in high quality polyresin with crisp details. This statue comes individually numbered with a matching Certificate of Authenticity. Scheduled to ship in June 2018. (STL078349) (5498/80787) (C: 1-1-2) NOTE: Available only in the United States, U.S. Territories, Canada, and the U.K.

FAR CRY 5: ABSOLUTION
(W) Waite Urban
Based on the Ubisoft video game! Hope County, Montana. Land of the free and the brave, but also home to a fanatical doomsday cult known as The Church of Eden's Gate that has slowly been infiltrating the residents' daily lives in the past years. Mary May Fairgrave, a local barkeep, has lost almost everything to the Church: her parents died in suspicious conditions and her brother, entranced by the cult leader's charismatic words, has vanished. When the authorities refuse to investigate further, she decides to take matters in to her own hands. Local hunter William Boyd was saved by Eden's Gate years ago, during the darkest moments of his life. When his duties lead him to cross paths with Mary May, he discovers that what is happening in the county is far from what he believed. The unexpected intervention of William Boyd will change her journey — as well as his. (STL077690)

WARHAMMER CHRONICLES: CHAMPIONS OF CHAOS PROSE NOVEL SC
(W) Darius Hinks
In the cold wastes of the North, the followers of Chaos gather in their thousands, eager to lay waste to the soft lands of the south. These bloodthirsty, undisciplined warriors can only be controlled by the fiercest of leaders, champions who have risen through the ranks by dint of their infamous deeds to become the favoured of the Dark Gods. This omnibus collects together the stories of three such mighty leaders — Prince Sigvald the Magnificent, the Gorequeen of Khorne Valkia the Bloody, and the rogue wizard Egrimm van Horstmann. This omnibus contains the novels *Valkia the Bloody* by Sarah Cawkwell, *Sigvald* by Darius Hinks, and *Van Horstmann* by Ben Counter, along with additional bonus short stories. (STL077694)

WARHAMMER 40K: ADEPTUS TITANICUS: WARLORD SC
(W) David Annandale
The Battle Titans of the Adeptus Titanicus are towering war engines, striding to war as holy effigies of the Omnissiah. Greatest of all are the mighty Warlord Titans, their weapons bringing righteous death to alien and heretic alike. Still reeling from a near disastrous battle against tyranids, the Pallidus Morr demi-legio is assigned to a new warzone, a nearby forge world which has fallen under the sway of Chaos. Here their battered war-machines must fight alongside another Titan Legion, the Imperial Hunters. As city after city falls before the relentless tread of Chaos war machines, the Imperium's only chance of victory lies in the two legios putting aside their differences and fighting as one. WARHAMMER 40K: CORAX SC
(W) Gav Thorpe
After Isstvan, after Deliverance, the Raven Guard still endure. Their primarch Corvus Corax has rallied countless warriors to his banner, striking back at the forces of the Warmaster on every front; from the degenerate hereteks of the Mechanicum to the cruel legionaries of the Sons of Horus, none shall escape his wrath. But although Corax has managed to stall the physical corruption of his own Space Marines, what of their spirit? And what sinister end must await those who dwell forever in the darkness? The saga of the primarch Corax comes to its grim conclusion in this anthology, which collects the novellas *Soulforge*, *Ravenlord*, and *Weregeld* along with several short stories. (STL077687)

WARHAMMER 40K: FERRUS MANUS HC
(W) David Guymer
The Great Crusade has swept across half the galaxy, a million human worlds now embracing the truth and reason that comes with allegiance to the rule of Terra. But even such unparalleled success comes at a cost. Rumours abound that the Emperor plans to step back from the Crusade and raise one of his primarch sons to lead in his stead. Faced with the bitterly non-compliant human empire of Gardinaal and a leaderless host of Ultramarines, Thousand Sons and Emperor's Children at his Legion's command, the Iron Hands primarch Ferrus Manus decides to make an example that even the Emperor cannot ignore. (STL077686)

WARHAMMER 40K: GAUNT'S GHOSTS: THE LOST SC
(W) Dan Abnett
For a thousand years, the Sabbat Worlds have been lost to the Imperium, claimed by the dread powers of Chaos. Now, a mighty crusade seeks to return the sector to Imperial rule, but the innumerable forces of the Archenemy attack without mercy, and planet after planet burns with the flames of war. Amidst this nightmare, the armies of the Astra Militarum stand stoic against their foes. The Tanith First-And-Only are among the most legendary of these regiments of Imperial Guard, and at their head stands Commissar Ibram Gaunt, unflinching in duty and unrelenting in combat. But now the very future of the regiment is in jeopardy as Gaunt's Ghosts battle the forces of Chaos across the Sabbat Worlds. The third *Gaunt's Ghosts* omnibus contains the novels *Traitor General*, *His Last Command*, *The Armour of Contempt*, and *Only in Death*. (STL077688)

RUINSTORM
Destiny unwritten...

WARHAMMER 40K: RUINSTORM SC
(W) David Annandale
Imperium Secundus lies revealed as a heretical folly. Terra has not fallen, though it remains inaccessible. Sanguinius, Guilliman and the Lion El'Johnson, the primarchs of the Triumvirate, must reach Terra at all costs. They seek to defend the Emperor, and to atone for their sins. But the Ruinstorm, a galaxy-wide maelstrom of chaos, hides the Throneworld from the primarchs. Now the fleets of three Legions depart Macragge, and the primarchs will stop at nothing to overcome the Ruinstorm. Yet an insidious enemy watches their every move, and plots against the weaknesses of the errant sons of the Emperor. Each has his own inner storm, and each marches towards his own ruin. (STL077693)

A SONG OF ICE AND FIRE RPG: DRAGON'S HOARD CAMPAIGN

Even years after the fall of House Targaryen, their legacy is not forgotten. When a band of ruffians bound for the Wall seek shelter for the night, one of them reveals a secret that sparks a quest across Westeros and even the Narrow Sea to Braavos, seeking the clues to reveal the location of untold riches: part of the Targaryen treasury, spirited away in the final days of Robert's Rebellion! But our heroes are not the only ones seeking the lost dragon's hoard, and their rivals will stop at nothing to beat them to it and claim it for themselves. In the end will it be riches… or ruin? *Dragon's Hoard* is an epic adventure for *A Song of Ice and Fire Roleplaying*. (STL041916)

STRANGER THINGS MONOPOLY

In this *Monopoly* game inspired by the Netflix Original Series, *Stranger Things*, Will Byers has gone missing. Players choose an 80s-inspired token or one "ripped from the Upside Down" to move around the board trying to find him. Pretend to search the town of Hawkins and buy, sell, and trade locations and vehicles from the show. The game includes Walkie-Talkie and Blinking Lights cards, replacing Community Chest and Chance cards, while Forts and Hideouts replace houses and hotels. Who will win the game and avoid getting trapped in the "Upside Down?" STRANGER THINGS: OUIJA GAME

Gather around the Ouija: *Stranger Things* Edition game, if you dare, and unlock secrets from a mysterious and mystifying world of the Upside Down. Inspired by the Netflix Original Series, *Stranger Things*, this game board features the alphabet spelled out with Christmas lights like in the iconic light wall scene from the show (board does not light up). Summon the courage to ask the Ouija board questions about what happened in the Upside Down, as well as anything else you'd like to know. Will the planchette spell out the answers that you seek? Handle the Ouija board with respect, and it won't disappoint you! (STL077432) **Item has been previously solicited in *Previews Plus*.** (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

Board Game..$22.99

STRANGER THINGS: SCREEN TEST GAME

Fans of the popular Netflix original series, *Stranger Things*, can put their viewing skills to the test with this exciting game to be played while watching! Players are dealt a series of cards, each one listing something to look for within episodes of Seasons 1 and 2. The cue on a card might have a player looking for flickering lights, or specific character actions. Listening skills will be challenged as players eagerly await for phrases such as "monster hunting" or "bad men are coming." Some cues are single appearances and some are more generic and open for interpretation, allowing for healthy debate. Earn points when something onscreen matches the cue on a card, and subtract points for leftover cards. The player with the most points after each episode wins. Who will win the most episodes to be the *Stranger Things* super fan? (Netflix subscription, compatible device, and Internet connection required.) (STL077434) **Item has been previously solicited in *Previews Plus*.** (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

FLIPSIDE

THE FLIPSIDE INTERVIEW:

BUILDING A UNIVERSE: AN INTERVIEW WITH COMICS CREATOR ROYE OKUPE

by Ashley Kronsberg

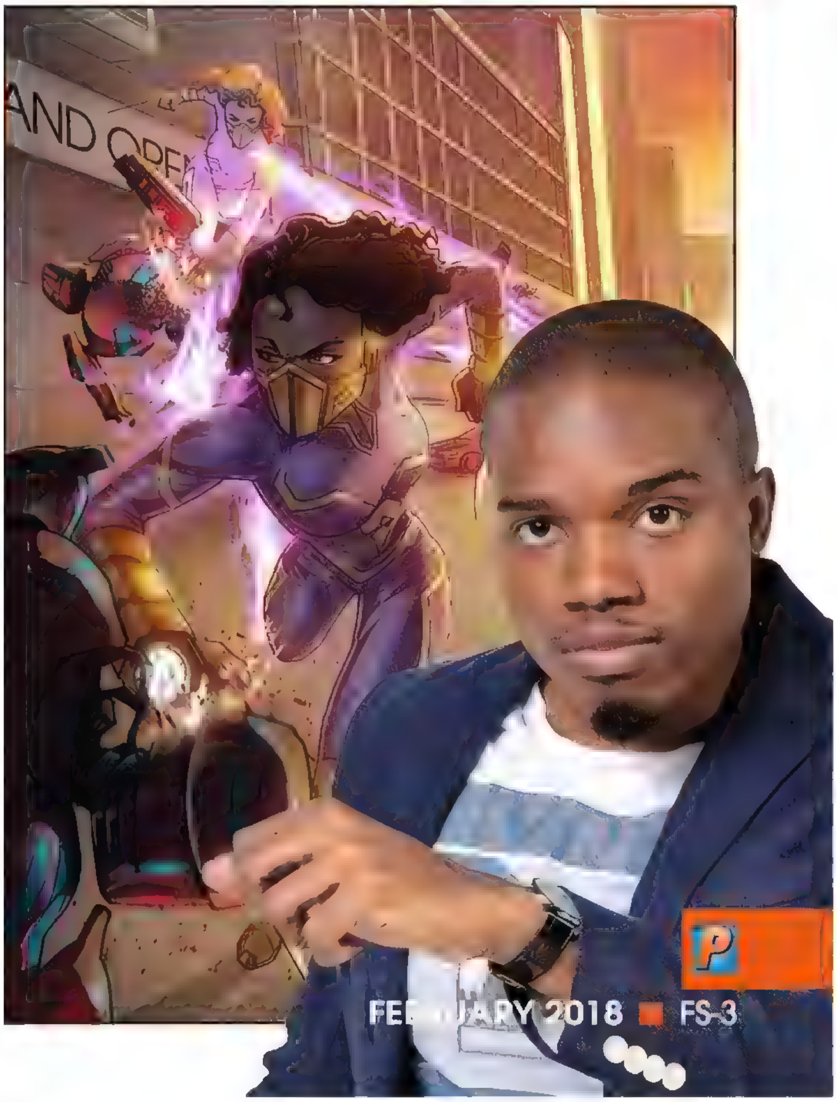
Comics and graphic novels are a staple literary format in our modern world, with graphic novels being featured on best-seller lists and receiving countless literary awards. With the wealth of content found by creators in the U.S., international creators have also coveted a major part of the comics industry. Nigerian comics creator, Roye Okupe, is one of many creators working in the United States. However, unlike many creators, Okupe is the creator of an entire universe under his publishing company YouNeek Studios. Based in Silver Springs, Maryland, Okupe's superhero universe derives its background and culture directly from his African roots, providing a unique story for his readers that cannot be found between the pages of many superhero stories published today. Diamond BookShelf Editor, Ashley Kronsberg, sat down with Okupe to discuss building this universe and how the influence of Nigerian and African culture brings a refreshing take on the superhero genre that is accessible to any reader.

Ashley Kronsberg: To start, could you give us a little background on the overall universe you have create through YouNeek Studios?

Roye Okupe: If you ask a casual comic book/superhero fan who Batman, Superman, Iron-Man, Spider-man are, odds are the majority if not all will be able to tell you who they are. Ask them how many African-born superheroes they know and they probably will not be able to go past Black Panther. Africa has a wealth of culture and mythology that the world has not been exposed to. I started YouNeek Studios to change that.

Our overall universe, which we call the "YouNeek YouNiverse" is a series of stories featuring a very diverse list of awesome heroes, villains and locations with continuity and inter-connectivity from story to story. Dubbed "The MCU of graphic novels," The YouNeek YouNiverse is a combination of individual graphic novel series (*E.X.O., Malika, WindMaker*, etc.) tied together with one continuous, overall plot that weaves through each story.

We want to make it easy for ANYONE to get into comic books and graphic novels. One of the inspirations behind the YouNiverse comes from something I see Marvel Studios doing successfully with their movies. Marvel has masterfully crafted a system of connected movies (collectively called the Marvel Cinematic Universe or "MCU") that has brought in millions of casual, everyday fans that have never read a single comic book! So, we decided to do something like that to attract both hardcore and everyday casual

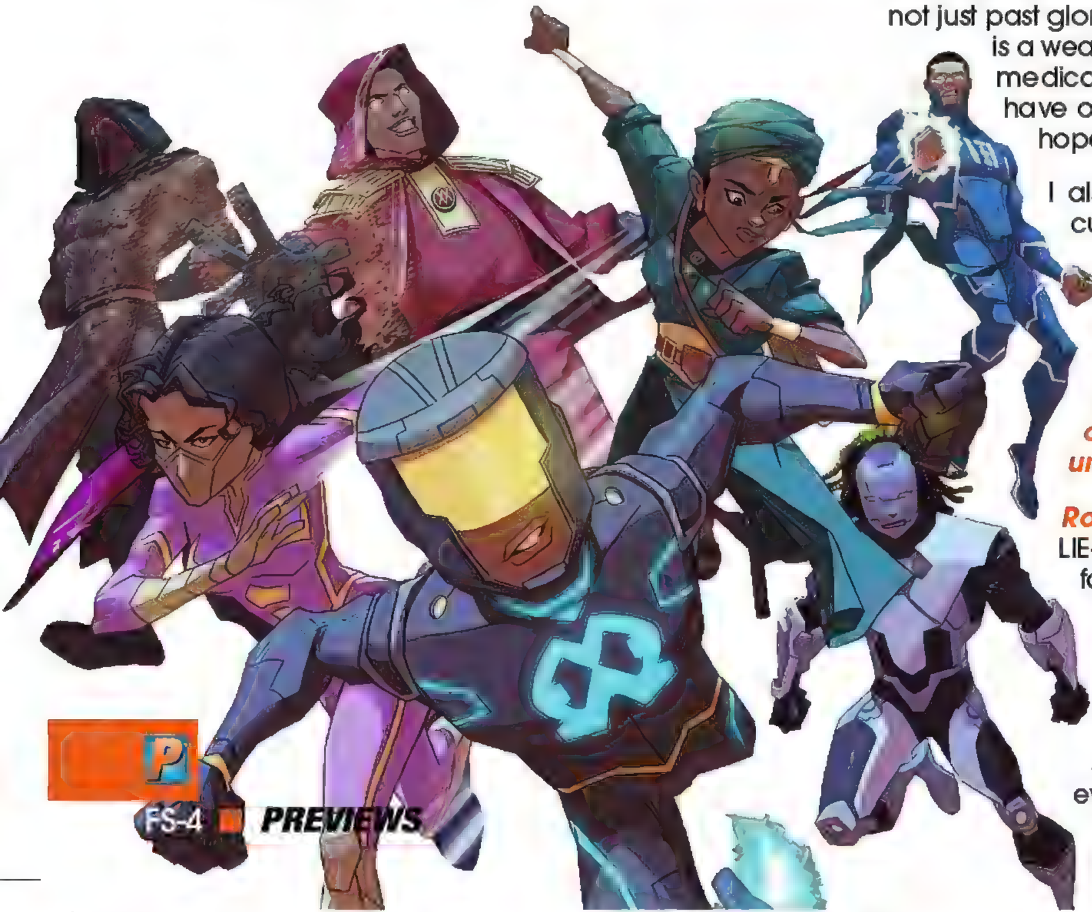


fans to beautifully crafted stories by way of graphic novels (except for special circumstances, all are comic books have a 100-page minimum. Hence the use term graphic novel).

However, Africa is just the current area focus. Because I was born in Nigeria, it was the logical place to start. We do aspire to extend the YouNiverse and create heroes/stories from/about other cultures and places around the globe.

Ashley: You are originally from Lagos, Nigeria — which has become quite the pop culture hub in recent years — how do you incorporate your native culture into the comics you are producing today?

Roye: Our first book here at YouNeek Studios (which I wrote), *E.X.O.: The Legend of Wale Williams,* is essentially a lot of things I saw, felt and experienced growing up in Lagos Nigeria, woven into superhero sci-fi epic. My culture is a huge part of why I write these stories. And I also believe it is what sets us apart as a company. Our books are culturally authentic and you can feel it on every page. One of the main reasons why is because most of the people that work on the books (sometimes all the people) are born and raised on the continent. For instance, for *E.X.O.: The Legend of Wale Williams*, which is a superhero story about redemption set in a futuristic (2025) Lagos, Nigeria, had a production team (writer, pencils, inks, colors, and editor) of people born and raised in Lagos, Nigeria. And it shows on each page. The talent is immense in Nigeria (and African as a whole) and one of our goals here at YouNeek Studios is to shed light on them.



Ashley: One criticism some diverse comics get is that the content is not relatable because the creators do not know the experience behind the diverse character in question. With E.X.O. and Malika, this is not the case as these characters are created with their diverse backgrounds at the forefront of their stories. Can you tell us what inspired you to create these characters? How have they evolved over time since you started writing them?

Roye: The inspiration comes from the fact that I didn't see characters like the ones I'm creating now (African superheroes) growing up in Lagos, Nigeria. As I mentioned, African has a wealth of history and mythology that is largely unknown to mainstream audiences. For instance, Malika's story is heavily inspired by a real African ruler named Amina. Queen Amina was the ruler of the West African kingdom Zazzau, which was in current day Zaria, Nigeria.

I think it's important not just for people of African descent, but the industry as a whole, that stories like hers become more widespread. When you hear about Africa in mainstream media, it's usually about wars, corruption, poverty and mostly negative things/images. While these problems do exist and it is important to shed light on them, it shouldn't be the only narrative. And it's not just Queen Amina.

There are many others like her. For example, Mansa Musa, ruler of the Mali Empire who was one of the richest people in the world in his time. Or Sunni Ali of the Songhai Empire, one of the brightest military minds. These and many more stories are rarely told. And it's not just past glory, there is also present greatness. There is a wealth of achievements (in the technology, medical and entrepreneurial fields) that have occurred in the past two decades that hopefully get more global attention.

I also want to inspire people from other cultures to do the same thing I'm doing with regards to my culture.

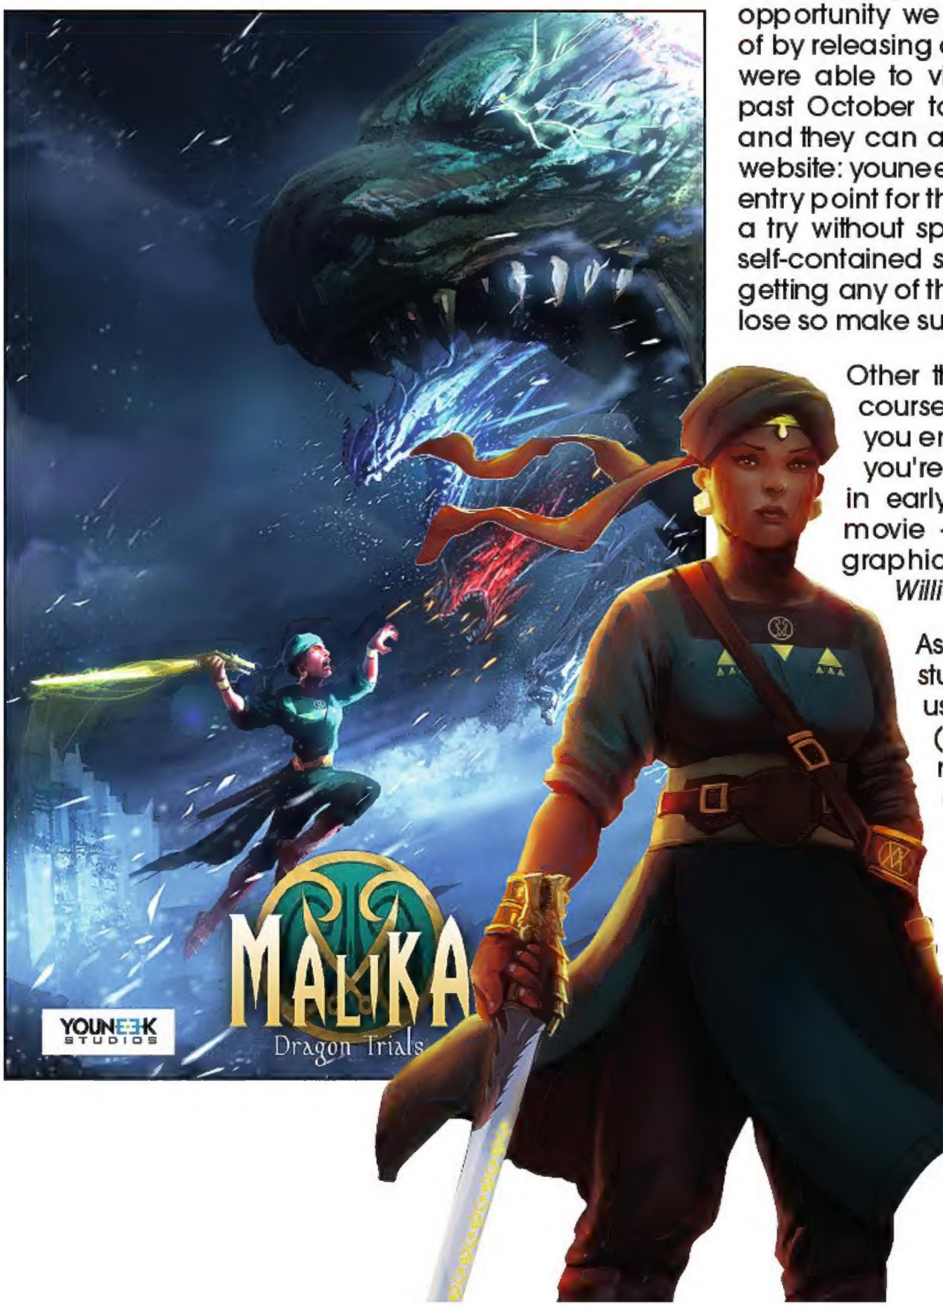
Ashley: Malika: Warrior Queen is the newest addition to the universe you have created. Could you give us some background on her character and how she fits into the universe?

Roye: Yes! Malika (pronounced "Ma-LIE-ka") is quickly becoming one of our fan favorites here at YouNeek Studios, and it's not too hard to imagine why. Her story is one of historical fantasy that takes place in a 15th century West Africa, as Malika, Queen and military commander of Azzaz, struggles to keep the peace in her ever-expanding empire.

Right off the bat, this isn't a story you would regularly see in comics or any other medium for that matter. And I think that's why a lot of people from different places around the world have embraced her story. It's so compelling and unique (no pun intended). However, her story's distinctiveness is just one of the many things about Malika.

My favorite thing about her is who she is as a character and what she represents. You have a queen and ruler with all these powers, who is also able to display all sort complex human emotions we all experience in our daily lives. Finally, she represents some of the diversity I think a lot of people have been asking for in the comic book industry.

Ashley: How has your background influenced the decisions you make as a creator? What kind of effects have you noticed these influences have on your audiences?



Roye: I am very lucky to: 1) have a loving, supportive and understanding wife; 2) to be raised by encouraging parents; 3) to be supported by siblings and friends; and 4) to be blessed with amazing fans. These people are the reason I can do what I do for a living. Because of them, I have no choice but to keep doing this at a high level. And that goes into the decisions I make daily. Because of that, I'm able to inspire others to chase their dreams while I live mine.

Ashley: Finally, do you have any plans of further expanding the universe? New characters, story lines, etc.? (That you can tell us without giving away too much of course!)

Roye: Hahaha! Trust me, we have plenty of plans to expand the YouNiverse. Some really exciting ones! Unfortunately, I can't share a lot at the moment. We've been very fortunate to be selected for both *Free Comic Book Day* and *Halloween Comic Fest* this year and are immensely grateful to Diamond for the opportunity; an opportunity we believe we're fully taking advantage of by releasing amazing stories. We hope your readers were able to visit their local comic book shops this past October to grab *Malika: Dragon Trials* for free, and they can also download it for free as well via our website: youneekstudios.com. Dragon Trials is a perfect entry point for those that want to give the Malika series a try without spending a dime. It's a one shot with a self-contained story so you don't have to worry about getting any of the previous books. You have nothing to lose so make sure you check it out.

Other things we're looking forward to are of course the *Malika: Warrior Queen Part Two.* If you enjoyed part one of this awesome series, you're in for a treat with part two! We're also in early development for our first animated movie — which is an adaptation of our first graphic novel, *E.X.O.: The Legend of Wale Williams.*

As you can see, there's a lot of amazing stuff going on, so make sure you follow us on Facebook, Twitter and Instagram (@YouNeekStudios) or sign up for our newsletter at www.youneekstudios.com/join to keep up to date and get access to over 100+ pages of our comics for free!

DC
DOOMSDAY CLOCK

DOOMSDAY CLOCK #2

The characters of the DC and *Watchmen* universes collide at last! The story that began in **DC UNIVERSE: REBIRTH #1** comes to a thrilling and unexpected crescendo in the pages of this titanic twelve-issue series by the all-star team that brought you **BATMAN: EARTH ONE** and **SHAZAM!** In this second issue: The Dark Knight discovers yet another relic from the *Watchmen* world; Lex Luthor pays a devil's bargain; and killer clowns stalk the streets of Gotham in search of a madman...
